### Factual Background

#### *The Property*

10. Refugio Hospital owns and operates the hospital district located at 107 Swift Street, Refugio, Texas 78377, in Refugio County, Texas.

11. The property consists of six buildings, the Hospital main building, the Physical Therapy building, the Refugio Rural Health Clinic, the Refugio Specialty Clinic, the EMS House, the Wellness Center and the Physician House. The main hospital was built on 4 acres of land and at the present time is a three-story building with four wings. Multiple additions have been added to the property since it was originally built.

### *The Policies*

12. Prior to August 25, 2017, Plaintiff paid annual premiums, assessments, fees, surcharges, and taxes to Carriers to acquire comprehensive commercial insurance coverage for the Property under Policy Nos. NVP20216-00 (Lloyd's) and CPP1000370-00 (Fair American).

13. The Lloyd's Policy provides coverage for Plaintiff, for covered damages that occur during the Policy Period, from June 1, 2017 through June 1, 2018. In exchange for Plaintiff's premium payment, the Plaintiff's Policy includes the following limits and coverages, in relevant part:

COVERAGES PROVIDED – INSURANCE AT THE DESCRIBED PREMISES APPLIES ONLY FOR COVERAGES FOR WHICH A LIMIT OF INSURANCE IS SHOWN							
Prem. No.	Bldg. No.	Coverage	Limit of Insurance	Covered Cause of Loss	Coinsurance*	Rates	Premium
All	All		\$11,199,060 (50%) per occurrence part of \$22,398,121 (100%) per occurrence	Special	Waived	Included	Included
*IF EXTRA EXPENSE COVERAGE, LIMITS ON LOSS PAYMENT							

14. The Fair American Policy provides coverage for Plaintiff, for covered damages that occur during the Policy Period, from June 1, 2017 through June 1, 2018. In exchange for Plaintiff's premium payment, the Plaintiff's Policy includes the following limits and coverages, in relevant part:

COVERAGES PROVIDED – Insurance at the described premises applies only for coverages for which a limit of insurance is shown						
Prem. No.	Bldg. No.	Coverage	Limit of Insurance	Covered Causes of Loss	Coinsurance	Rates
All	All	Building, Business Personal Property, Business Income, Extra Expense	\$11,199,061 (50%) per occurrence part of \$22,398,121 (100%) per occurrence	Special	Waived	Included
*IF EXTRA EXPENSE COVERAGE, LIMITS ON LOSS PAYMENT						

15. As evidenced by the Declarations Page and confirmed in the Policies provisions, the Policies provides coverage to each Property's physical structure on a replacement cost value basis for damages caused by wind and hail up to \$22,398,121.00. The Policies also provide coverage for Business Personal Property. *See* Ex. A and Ex. B, Policies, at Declarations Pages.

*Hurricane Harvey*

16. On or about August 25, 2017, Hurricane Harvey, recognized as one of the most devastating natural disasters in United States history, made landfall on the Texas coast in San Patricio County and Aransas County as a Category 4 hurricane. Wind gusts of up to 132 miles per hour were reported within the same area of the Property. Rockport, Texas experienced wind speeds of up to 150 miles per hour. The First American Weather Service has stated that these wind speeds are likely underestimated in coastal areas such as San Patricio County due to disabled equipment at the time Harvey made landfall. Refugio County is location just north of Rockport, Texas. Hurricane Harvey continued to travel through the southeast part of Texas, inflicting billions of dollars in damages to private and public property. The Texas Division of Emergency Management incurred more than \$439 million in costs associated with debris removal, public property damage, and police/EMS response immediately after Harvey. Texas Governor Greg Abbott has estimated that Hurricane Harvey's damages will total an historic \$180 billion.

*Plaintiff makes insurance claim for damages*

17. As a result of Harvey's extreme winds and rain when it hit the Texas Coast on or about August 25, 2017, the Property was substantially damaged. Sizeable portions of the roofs were compromised by wind. As a result, there was also substantial interior damage to the buildings. The following photographs taken after Harvey depict some of the damages:

18. The Property – especially the roofs – were substantially damaged by the storm. Yet as devastating as the physical damage was, Plaintiff felt fortunate to be protected by the insurance coverage they had procured to insure the Property from precisely this type of catastrophe. Immediately after the storm, Plaintiff promptly filed a claim with Carriers, alerting them to the

extensive damages. This sense of security, borne of pricey contractual relationship, would prove illusory as Defendants began their investigation and handling of the claim.

*Plaintiff works hard to document its damages for Defendants but unreasonably refuses to pay.*

19. Lloyd's and Fair American's claim-handling process resulted in a wrongful refusal to pay and both omitted the wealth of facts, physical evidence, obvious wind damages, and meteorological data supporting Plaintiff's claim. Lloyd's and Fair American unreasonably pinned the losses on anything but the wind, an action designed to save Lloyd's and Fair American millions of dollars in damages to the Property and the business.

20. Lloyd's and Fair American assigned both, Melanie LaBrie and Anthony DeCesare of Engle Martin & Associates, as lead adjusters to handle the claim. LaBrie and DeCesare were unqualified and incapable of adequately assessing the damages to this type of commercial Property and were the source of many delays throughout the claim process. Defendants continued to delay the claim resolution and did not provide the insured with answers.

21. Engle Martin subsequently engaged JS Held, LLC to employ representatives for the claim who were improperly trained as to their responsibilities. On October 31, 2017, adjusters from JS Held, LLC, Justin Ayars and Alex Szatanek, personally and partially inspected the property to determine the scope of loss that resulted from hurricane-force wind and water damage. Fifteen months after the Hurricane Harvey winds severely damaged these properties, based on inadequate investigation, wrongful delays, and refusals to fully pay for reasonably clear damages, the Carriers had only issued partial payment. This is despite the fact that in December 2017 through April 2018 Engle Martin Adjuster, LaBrie, along with JS Held confirmed the physical damages to the hospital district buildings to at least be \$3,786,722.37 and issued an

estimate of damages confirming same to the insured's mitigation consultant, ServPro intended to be directly communicated to the insured, Refugio Hospital.

22. ServPro has also provided reasonably clear mitigation damage estimates and detailed scopes of work totaling at least \$2,800,000.00. Unfortunately, despite the Carriers' adjuster and representative under Texas law, LaBrie's concession as to the amount of clearly owed structural damages, the claim was detoured and delayed. Under direction from the Carriers, DeCesare changed adjusters on the claim and managed a process where clear damages would not be acknowledged, much less immediately paid for. The Carriers directed this wrongful handling on the claim and ratified the delays.

23. Despite clear evidence of covered replacement cost and mitigation damages, the Carriers failed to issue the full payment owed under the insurance policy covering our client's property and instead authorized the continued delays and underpayments.

24. To this day, due to Lloyd's and Fair American's outcome-oriented, inadequate, and haphazard investigation, Lloyd's and Fair American have refused to pay for covered damages under the Policy.

***Lloyd's and Fair American ignores Plaintiff's demand letter***

25. On June 1, 2017, Governor Abbott signed House Bill 1774 into law as Section 542A of the Texas Insurance Code. This new law was sponsored by approximately sixty state representatives and senators and contains important consumer protections against a variety of unscrupulous practices. Particularly, Section 542A.003 requires detailed, comprehensive pre-suit notice that is intended to make the claims and litigation processes more transparent and potentially even avoid unnecessary lawsuits. Upon receiving notice, an insurer has a right to conduct an inspection, and even make an offer to avoid litigation. When utilized properly,

Section 542A should assist business consumers like Plaintiff to avoid protracted litigation over a clear claim.

26. In compliance with Section 542A.003, Plaintiff gave its pre-suit notice to Lloyd's and Fair American on December 6, 2018. The pre-suit notice provided a comprehensive outline of Plaintiff's claim and damages, quantified its loss, and even offered to waive a formal claim for attorneys' fees if the contractual amounts were paid promptly.

27. Fair American responded to the demand letter on December 21, 2018 but refused to acknowledge its own wrongdoing. Fair American falsely represented that it was prohibited from re-inspecting the property instead of taking personal responsibility for the fact that it simply refused to conduct this re-inspection without any basis for same. Even despite Fair American's hostility, Plaintiff held off on filing suit as requested until it was clear that it would be forced to institute litigation to get the benefits more than reasonably clear to be owed. Lloyd's did not substantially respond to the demand letter. Plaintiff fully complied with all applicable contractual and statutory conditions.

**FIRST CAUSE OF ACTION---Violations of Texas Insurance Code**

28. Plaintiff re-alleges and incorporates each allegation contained in the previous Paragraphs of this Petition as if fully set forth herein.

29. Defendants failed to attempt to effectuate a prompt, fair, and equitable settlement of a claim with respect to which liability has become reasonably clear, in violation of Texas Insurance Code Section 541.060 (a)(2)(A).

30. Defendants failed to adopt and implement reasonable standards for prompt investigation of claims arising under its policies.

31. Defendants failed to provide promptly a reasonable explanation, in relation to the facts or applicable law, for the denial of a claim, in violation of Texas Insurance Code Section 541.060 (a)(3).

32. Defendants refused to pay the claims without conducting a reasonable investigation with respect to the claims, in violation of Texas Insurance Code Section 541.060 (a)(7).

33. Defendants misrepresented the insurance policies under which it affords property coverage to Plaintiff, by making an untrue statement of material facts, in violation of Texas Insurance Code Section 541.061 (1).

34. Defendants misrepresented the insurance policies under which it affords property coverage to Plaintiff by failing to state a material fact that is necessary to make other statements made not misleading, in violation of Texas Insurance Code Section 541.061(2).

35. Defendants misrepresented the insurance policies under which it affords property coverage to Plaintiff by making a statement in such manner as to mislead a reasonably prudent person to a false conclusion of material facts and failing to disclose a matter required by law to be disclosed, in violation of Texas Insurance Code Section 541.061 (3) and Texas Insurance Code Section 541.002 (1).

36. Defendants knowingly committed the foregoing acts, with actual knowledge of the falsity, unfairness, or deception of the foregoing acts and practices, in violation of Texas Insurance Code Section 541.002 (1).

**SECOND CAUSE OF ACTION---Prompt Payment of Claim**

37. Plaintiff re-alleges and incorporates each allegation contained in the previous Paragraphs of this Petition as if fully set forth herein.

38. Lloyd's and First American failed to acknowledge receipt of the claim in violation of Texas

Insurance Code Section 542.055 (a)(1).

39. Lloyd's and First American failed to timely commence investigation of the claim or to request from Plaintiff any additional items, statements or forms that the Defendants reasonably believe to be required from Plaintiff in violation of Texas Insurance Code Section 542.055 (a)(2)-(3).

40. Lloyd's and First American failed to notify Plaintiff in writing of the acceptance or rejection of the claim not later than the 15<sup>th</sup> business day after receipt of all items, statements and forms required by the Defendants in violation of Texas Insurance Code Section 542.056(a). The delay was egregious, unnecessary, and wholly caused by the Defendants.

41. Lloyd's and First American delayed payment of Plaintiff's claim in violation of Texas Insurance Code Section 542.058(a).

42. Each of the actions described herein were done "knowingly" as that term is used in the Texas Insurance Code and were producing cause of Plaintiff's damages.

**THIRD CAUSE OF ACTION---Statutory Interest**

43. Plaintiff re-alleges and incorporates each allegation contained in the previous Paragraphs of this Petition as if fully set forth herein.

44. Plaintiff makes a claim for statutory interest penalties along with reasonable attorneys' fees for violation of Texas Insurance Code Subchapter B pursuant to Texas Insurance Code Section 542.060.

**FOURTH CAUSE OF ACTION---Breach of Contract**

45. Plaintiff re-alleges and incorporates each allegation contained in the previous Paragraphs of this Petition as if fully set forth herein.

46. As outlined above, Lloyd's and First American breached its contract with Plaintiff by refusing to pay for covered damages under the Policy. As a result of Lloyd's and First American's breach, Plaintiff suffered legal damages.

**FIFTH CAUSE OF ACTION---Breach of duty of good faith & fair dealing**

47. Plaintiff re-alleges and incorporates each allegation contained in the previous Paragraphs of this Petition as if fully set forth herein.

48. Lloyd's and First American as the property coverage insurers, had a non-delegable duty to deal fairly and in good faith with Plaintiff in the processing of the claim. Lloyd's and First American breached this duty by refusing to properly investigate and effectively denying insurance benefits. Lloyd's and First American knew or should have known that there was no reasonable basis for denying or delaying the required benefits. As a result of Lloyd's and First American's breach of these legal duties, Plaintiff suffered legal damages.

**SIXTH CAUSE OF ACTION---Punitive Damages for Bad Faith**

49. Plaintiff re-alleges and incorporates each allegation contained in the previous Paragraphs of this Petition as if fully set forth herein.

50. Lloyd's and First American acted fraudulently and with malice (as that term is legally defined) in denying and delaying Plaintiff's claim for benefits. Further, Lloyd's and First American had actual, subjective awareness of the risk involved, but nevertheless proceeded with conscious indifference to the rights, safety, or welfare of Plaintiff.

**SEVENTH CAUSE OF ACTION---Violations Of Texas DTPA**

51. Plaintiff re-alleges and incorporates each allegation contained in the previous Paragraphs of this Petition as if fully set forth herein.

52. The Deceptive Trade Practices-Consumer Protection Act (DTPA) provides additional

protections to consumers who are victims of deceptive, improper, or illegal practices. Lloyd's and First American's violations of the Texas Insurance Code create a cause of action under the DTPA. Lloyd's and First American's violations of the Texas Insurance Code, as set forth herein, specifically violate the DTPA as well. Lloyd's and First American have also acted unconscionably, as that term is defined under the DTPA.

53. Each of the actions described herein were done "knowingly" as that term is used in the DTPA and were a producing cause of Plaintiff's damages.

#### **KNOWLEDGE**

54. Each of the actions described herein were done "knowingly" as that term is used in the Texas Insurance Code and were a producing cause of Plaintiff's damages.

#### **RESULTING LEGAL DAMAGES**

These damages include the consequential damages to its economic welfare from the wrongful denial and delay of benefits including loss of the property and business; and the other actual damages permitted by law. In addition, Plaintiff is entitled to exemplary damages.

56. As a result of Defendants' acts and/or omissions, Plaintiff has sustained damages in excess of the minimum jurisdictional limits of this Court.

57. Plaintiff is entitled under law to the recovery of prejudgment interest at the maximum legal rate.

58. Defendants' knowing violations of the Texas Insurance Code and DTPA entitle Plaintiff to the attorneys' fees, treble damages, and other penalties provided by law.

59. Plaintiff is entitled to statutory interest as damages under the Texas Insurance Code 542.060(c).

60. As a result of Defendants' acts and/or omissions, Plaintiff has sustained damages in excess of the jurisdictional limits of this Court.

## BUILDING AND PERSONAL PROPERTY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section H. Definitions.

We will pay for direct physical loss of or damage to Covered Property at the premises described in the Declarations caused by or resulting from any Covered Cause of Loss.

EXHIBIT "A"

However, our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

## 2. Property Not Covered

Covered Property does not include:

- a. Accounts, bills, currency, food stamps or other evidences of debt, money, notes or securities. Lottery tickets held for sale are not securities;
- b. Animals, unless owned by others and boarded by you, or if owned by you, only as "stock" while inside of buildings;
- c. Automobiles held for sale;
- d. Bridges, roadways, walks, patios or other paved surfaces;
- e. Contraband, or property in the course of illegal transportation or trade;

  - (2) The surface of the ground, if there is no basement;
- h. Land (including land on which the property is located), water, growing crops or lawns (other than lawns which are part of a vegetated roof);
- i. Personal property while airborne or waterborne;
- j. Bulkheads, pilings, piers, wharves or docks;
- k. Property that is covered under another coverage form of this or any other policy in which it is more specifically described, except for the excess of the amount due (whether you can collect on it or not) from that other insurance;
- l. Retaining walls that are not part of a building;
- m. Underground pipes, flues or drains;
- n. Electronic data, except as provided under the Additional Coverage, Electronic Data. Electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data. This paragraph, n., does not apply to your "stock" of prepackaged software, or to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system;
- o. The cost to replace or restore the information on valuable papers and records, including those which exist as electronic data. Valuable papers and records include but are not limited to proprietary information, books of account, deeds, manuscripts, abstracts, drawings and card index systems. Refer to the Coverage Extension for Valuable Papers And Records (Other Than Electronic Data) for limited coverage for valuable papers and records other than those which exist as electronic data;
- p. Vehicles or self-propelled machines (including aircraft or watercraft) that:
  - (1) Are licensed for use on public roads; or
  - (2) Are operated principally away from the described premises.

This paragraph does not apply to:

  - (a) Vehicles or self-propelled machines or autos you manufacture, process or warehouse;

- (b) Vehicles or self-propelled machines, other than autos, you hold for sale;
  - (c) Rowboats or canoes out of water at the described premises; or
  - (d) Trailers, but only to the extent provided for in the Coverage Extension for Non-owned Detached Trailers; or
- q. The following property while outside of buildings:
- (1) Grain, hay, straw or other crops;
  - (2) Fences, radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers, trees, shrubs or plants (other than trees, shrubs or plants which are "stock" or are part of a vegetated roof), all except as provided in the Coverage Extensions.
- 3. Covered Causes Of Loss**
- See applicable Causes Of Loss form as shown in the Declarations.
- 4. Additional Coverages**
- a. Debris Removal**
- (1) Subject to Paragraphs (2), (3) and (4), we will pay your expense to remove debris of Covered Property and other debris that is on the described premises, when such debris is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
  - (2) Debris Removal does not apply to costs to:
    - (a) Remove debris of property of yours that is not insured under this policy, or property in your possession that is not Covered Property;
    - (b) Remove debris of property owned by or leased to the landlord of the building where your described premises are located, unless you have a contractual responsibility to insure such property and it is insured under this policy;
    - (c) Remove any property that is Property Not Covered, including property addressed under the Outdoor Property Coverage Extension;
    - (d) Remove property of others of a type that would not be Covered Property under this Coverage Form;
    - (e) Remove deposits of mud or earth from the grounds of the described premises;
    - (f) Extract "pollutants" from land or water; or
    - (g) Remove, restore or replace polluted land or water.
  - (3) Subject to the exceptions in Paragraph (4), the following provisions apply:
    - (a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
    - (b) Subject to (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage. However, if no Covered Property has sustained direct physical loss or damage, the most we will pay for removal of debris of other property (if such removal is covered under this Additional Coverage) is \$5,000 at each location.
  - (4) We will pay up to an additional \$25,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:
    - (a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.
    - (b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if (4)(a) and/or (4)(b) applies, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$25,000.

#### (5) Examples

The following examples assume that there is no Coinsurance penalty.

##### Example 1

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 50,000
Amount of Loss Payable:	\$ 49,500
	(\$50,000 - \$500)
Debris Removal Expense:	\$ 10,000
Debris Removal Expense Payable:	\$ 10,000
	(\$10,000 is 20% of \$50,000.)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore, the full amount of debris removal expense is payable in accordance with the terms of Paragraph (3).

##### Example 2

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 80,000
Amount of Loss Payable:	\$ 79,500
	(\$80,000 - \$500)
Debris Removal Expense:	\$ 40,000
Debris Removal Expense Payable	
Basic Amount:	\$ 10,500
Additional Amount:	\$ 25,000

The basic amount payable for debris removal expense under the terms of Paragraph (3) is calculated as follows: \$80,000 (\$79,500 + \$500) x .25 = \$20,000, capped at \$10,500. The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph (4), because the debris removal expense (\$40,000) exceeds 25% of the loss payable plus the deductible (\$40,000 is 50% of \$80,000), and because the sum of the loss payable and debris removal expense (\$79,500 + \$40,000 = \$119,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$25,000, the maximum payable under Paragraph (4). Thus, the total payable for debris removal expense in this example is \$35,500; \$4,500 of the debris removal expense is not covered.

#### b. Preservation Of Property

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss or damage to that property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the loss or damage occurs within 30 days after the property is first moved.

#### c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$1,000 for service at each premises described in the Declarations, unless a higher limit is shown in the Declarations. Such limit is the most we will pay regardless of the number of responding fire departments or fire units, and regardless of the number or type of services performed.

This Additional Coverage applies to your liability for fire department service charges:

- (1) Assumed by contract or agreement prior to loss; or
- (2) Required by local ordinance.

No Deductible applies to this Additional Coverage.

**d. Pollutant Clean-up And Removal**

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage for each described premises is \$10,000 for the sum of all covered expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

**e. Increased Cost Of Construction**

- (1) This Additional Coverage applies only to buildings to which the Replacement Cost Optional Coverage applies.
- (2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with the minimum standards of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in e.(3) through e.(9) of this Additional Coverage.
- (3) The ordinance or law referred to in e.(2) of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises and is in force at the time of loss.
- (4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:
  - (a) You were required to comply with before the loss, even when the building was undamaged; and
  - (b) You failed to comply with.

- (5) Under this Additional Coverage, we will not pay for:

- (a) The enforcement of or compliance with any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or
- (b) Any costs associated with the enforcement of or compliance with an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.

- (6) The most we will pay under this Additional Coverage, for each described building insured under this Coverage Form, is \$10,000 or 5% of the Limit of Insurance applicable to that building, whichever is less. If a damaged building is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for that damaged building, is the lesser of \$10,000 or 5% times the value of the damaged building as of the time of loss times the applicable Coinsurance percentage.

The amount payable under this Additional Coverage is additional insurance.

- (7) With respect to this Additional Coverage:

- (a) We will not pay for the Increased Cost of Construction:
  - (i) Until the property is actually repaired or replaced at the same or another premises; and
  - (ii) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

- (b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of e.(6) of this Additional Coverage, is the increased cost of construction at the same premises.
  - (c) If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of e.(6) of this Additional Coverage, is the increased cost of construction at the new premises.
  - (8) This Additional Coverage is not subject to the terms of the Ordinance Or Law Exclusion to the extent that such Exclusion would conflict with the provisions of this Additional Coverage.
  - (9) The costs addressed in the Loss Payment and Valuation Conditions and the Replacement Cost Optional Coverage, in this Coverage Form, do not include the increased cost attributable to enforcement of or compliance with an ordinance or law. The amount payable under this Additional Coverage, as stated in e.(6) of this Additional Coverage, is not subject to such limitation.
- f. Electronic Data**
- (1) Under this Additional Coverage, electronic data has the meaning described under Property Not Covered, Electronic Data. This Additional Coverage does not apply to your "stock" of prepackaged software, or to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system.
  - (2) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore electronic data which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.
- (3) The Covered Causes of Loss applicable to Your Business Personal Property apply to this Additional Coverage, Electronic Data, subject to the following:
    - (a) If the Causes Of Loss – Special Form applies, coverage under this Additional Coverage, Electronic Data, is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
    - (b) If the Causes Of Loss – Broad Form applies, coverage under this Additional Coverage, Electronic Data, includes Collapse as set forth in that form.
    - (c) If the Causes Of Loss form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Electronic Data.
    - (d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.

- (4) The most we will pay under this Additional Coverage, Electronic Data, is \$2,500 (unless a higher limit is shown in the Declarations) for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

#### 5. Coverage Extensions

Except as otherwise provided, the following Extensions apply to property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

If a Coinsurance percentage of 80% or more, or a Value Reporting period symbol, is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

##### a. Newly Acquired Or Constructed Property

###### (1) Buildings

If this policy covers Building, you may extend that insurance to apply to:

- (a) Your new buildings while being built on the described premises; and
- (b) Buildings you acquire at locations, other than the described premises, intended for:
  - (i) Similar use as the building described in the Declarations; or
  - (ii) Use as a warehouse.

The most we will pay for loss or damage under this Extension is \$250,000 at each building.

#### (2) Your Business Personal Property

- (a) If this policy covers Your Business Personal Property, you may extend that insurance to apply to:

- (i) Business personal property, including such property that you newly acquire, at any location you acquire other than at fairs, trade shows or exhibitions; or
- (ii) Business personal property, including such property that you newly acquire, located at your newly constructed or acquired buildings at the location described in the Declarations.

The most we will pay for loss or damage under this Extension is \$100,000 at each building.

- (b) This Extension does not apply to:

- (i) Personal property of others that is temporarily in your possession in the course of installing or performing work on such property; or
- (ii) Personal property of others that is temporarily in your possession in the course of your manufacturing or wholesaling activities.

#### (3) Period Of Coverage

With respect to insurance provided under this Coverage Extension for Newly Acquired Or Constructed Property, coverage will end when any of the following first occurs:

- (a) This policy expires;
- (b) 30 days expire after you acquire the property or begin construction of that part of the building that would qualify as covered property; or
- (c) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property or begin construction of that part of the building that would qualify as covered property.

**b. Personal Effects And Property Of Others**

You may extend the insurance that applies to Your Business Personal Property to apply to:

- (1) Personal effects owned by you, your officers, your partners or members, your managers or your employees. This Extension does not apply to loss or damage by theft.
- (2) Personal property of others in your care, custody or control.

The most we will pay for loss or damage under this Extension is \$2,500 at each described premises. Our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

**c. Valuable Papers And Records (Other Than Electronic Data)**

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to the cost to replace or restore the lost information on valuable papers and records for which duplicates do not exist. But this Extension does not apply to valuable papers and records which exist as electronic data. Electronic data has the meaning described under Property Not Covered, Electronic Data.
- (2) If the Causes Of Loss – Special Form applies, coverage under this Extension is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
- (3) If the Causes Of Loss – Broad Form applies, coverage under this Extension includes Collapse as set forth in that form.
- (4) Under this Extension, the most we will pay to replace or restore the lost information is \$2,500 at each described premises, unless a higher limit is shown in the Declarations. Such amount is additional insurance. We will also pay for the cost of blank material for reproducing the records (whether or not duplicates exist) and (when there is a duplicate) for the cost of labor to transcribe or copy the records. The costs of blank material and labor are subject to the applicable Limit of Insurance on Your Business Personal Property and, therefore, coverage of such costs is not additional insurance.

**d. Property Off-premises**

- (1) You may extend the insurance provided by this Coverage Form to apply to your Covered Property while it is away from the described premises, if it is:
  - (a) Temporarily at a location you do not own, lease or operate;
  - (b) In storage at a location you lease, provided the lease was executed after the beginning of the current policy term; or
  - (c) At any fair, trade show or exhibition.
- (2) This Extension does not apply to property:
  - (a) In or on a vehicle; or
  - (b) In the care, custody or control of your salespersons, unless the property is in such care, custody or control at a fair, trade show or exhibition.
- (3) The most we will pay for loss or damage under this Extension is \$10,000.

**e. Outdoor Property**

You may extend the insurance provided by this Coverage Form to apply to your outdoor fences, radio and television antennas (including satellite dishes), trees, shrubs and plants (other than trees, shrubs or plants which are "stock" or are part of a vegetated roof), including debris removal expense, caused by or resulting from any of the following causes of loss if they are Covered Causes of Loss:

- (1) Fire;
- (2) Lightning;
- (3) Explosion;
- (4) Riot or Civil Commotion; or
- (5) Aircraft.

The most we will pay for loss or damage under this Extension is \$1,000, but not more than \$250 for any one tree, shrub or plant. These limits apply to any one occurrence, regardless of the types or number of items lost or damaged in that occurrence.

Subject to all aforementioned terms and limitations of coverage, this Coverage Extension includes the expense of removing from the described premises the debris of trees, shrubs and plants which are the property of others, except in the situation in which you are a tenant and such property is owned by the landlord of the described premises.

**f. Non-owned Detached Trailers**

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to loss or damage to trailers that you do not own, provided that:
  - (a) The trailer is used in your business;
  - (b) The trailer is in your care, custody or control at the premises described in the Declarations; and
  - (c) You have a contractual responsibility to pay for loss or damage to the trailer.
- (2) We will not pay for any loss or damage that occurs:
  - (a) While the trailer is attached to any motor vehicle or motorized conveyance, whether or not the motor vehicle or motorized conveyance is in motion;
  - (b) During hitching or unhitching operations, or when a trailer becomes accidentally unhitched from a motor vehicle or motorized conveyance.
- (3) The most we will pay for loss or damage under this Extension is \$5,000, unless a higher limit is shown in the Declarations.
- (4) This insurance is excess over the amount due (whether you can collect on it or not) from any other insurance covering such property.

**g. Business Personal Property Temporarily In Portable Storage Units**

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to such property while temporarily stored in a portable storage unit (including a detached trailer) located within 100 feet of the building or structure described in the Declarations or within 100 feet of the premises described in the Declarations, whichever distance is greater.

- (2) If the applicable Covered Causes of Loss form or endorsement contains a limitation or exclusion concerning loss or damage from sand, dust, sleet, snow, ice or rain to property in a structure, such limitation or exclusion also applies to property in a portable storage unit.

**(3) Coverage under this Extension:**

- (a) Will end 90 days after the business personal property has been placed in the storage unit;
- (b) Does not apply if the storage unit itself has been in use at the described premises for more than 90 consecutive days, even if the business personal property has been stored there for 90 or fewer days as of the time of loss or damage.
- (4) Under this Extension, the most we will pay for the total of all loss or damage to business personal property is \$10,000 (unless a higher limit is indicated in the Declarations for such Extension) regardless of the number of storage units. Such limit is part of, not in addition to, the applicable Limit of Insurance on Your Business Personal Property. Therefore, payment under this Extension will not increase the applicable Limit of Insurance on Your Business Personal Property.
- (5) This Extension does not apply to loss or damage otherwise covered under this Coverage Form or any endorsement to this Coverage Form or policy, and does not apply to loss or damage to the storage unit itself.

Each of these Extensions is additional insurance unless otherwise indicated. The Additional Condition, Coinsurance, does not apply to these Extensions.

**B. Exclusions And Limitations**

See applicable Causes Of Loss form as shown in the Declarations.

**C. Limits Of Insurance**

The most we will pay for loss or damage in any one occurrence is the applicable Limit Of Insurance shown in the Declarations.

The most we will pay for loss or damage to outdoor signs, whether or not the sign is attached to a building, is \$2,500 per sign in any one occurrence.

The amounts of insurance stated in the following Additional Coverages apply in accordance with the terms of such coverages and are separate from the Limit(s) Of Insurance shown in the Declarations for any other coverage:

1. Fire Department Service Charge;
2. Pollutant Clean-up And Removal;
3. Increased Cost Of Construction; and
4. Electronic Data.

Payments under the Preservation Of Property Additional Coverage will not increase the applicable Limit of Insurance.

#### D. Deductible

In any one occurrence of loss or damage (hereinafter referred to as loss), we will first reduce the amount of loss if required by the Coinsurance Condition or the Agreed Value Optional Coverage. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the adjusted amount of loss and will pay the resulting amount or the Limit of Insurance, whichever is less.

When the occurrence involves loss to more than one item of Covered Property and separate Limits of Insurance apply, the losses will not be combined in determining application of the Deductible. But the Deductible will be applied only once per occurrence.

#### Example 1

(This example assumes there is no Coinsurance penalty.)

Deductible:	\$ 250
Limit of Insurance – Building 1:	\$ 60,000
Limit of Insurance – Building 2:	\$ 80,000
Loss to Building 1:	\$ 60,100
Loss to Building 2:	\$ 90,000

The amount of loss to Building 1 (\$60,100) is less than the sum (\$60,250) of the Limit of Insurance applicable to Building 1 plus the Deductible.

The Deductible will be subtracted from the amount of loss in calculating the loss payable for Building 1:

$$\begin{array}{r} \$ 60,100 \\ - \quad 250 \\ \hline \end{array}$$

\$ 59,850 Loss Payable – Building 1

The Deductible applies once per occurrence and therefore is not subtracted in determining the amount of loss payable for Building 2. Loss payable for Building 2 is the Limit of Insurance of \$80,000.

Total amount of loss payable:

$$\$59,850 + \$80,000 = \$139,850$$

#### Example 2

(This example, too, assumes there is no Coinsurance penalty.)

The Deductible and Limits of Insurance are the same as those in Example 1.

Loss to Building 1:	\$ 70,000
(Exceeds Limit of Insurance plus Deductible)	
Loss to Building 2:	\$ 90,000
(Exceeds Limit of Insurance plus Deductible)	
Loss Payable – Building 1:	\$ 60,000
(Limit of Insurance)	
Loss Payable – Building 2:	\$ 80,000
(Limit of Insurance)	
Total amount of loss payable:	\$ 140,000

#### E. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

##### 1. Abandonment

There can be no abandonment of any property to us.

##### 2. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

##### 3. Duties In The Event Of Loss Or Damage

- a. You must see that the following are done in the event of loss or damage to Covered Property:

- (1) Notify the police if a law may have been broken.

- (2) Give us prompt notice of the loss or damage. Include a description of the property involved.
  - (3) As soon as possible, give us a description of how, when and where the loss or damage occurred.
  - (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
  - (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
  - (6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.  
Also, permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.
  - (7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
  - (8) Cooperate with us in the investigation or settlement of the claim.
- b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

#### 4. Loss Payment

- a. In the event of loss or damage covered by this Coverage Form, at our option, we will either:
  - (1) Pay the value of lost or damaged property;
  - (2) Pay the cost of repairing or replacing the lost or damaged property, subject to b. below;
  - (3) Take all or any part of the property at an agreed or appraised value; or
  - (4) Repair, rebuild or replace the property with other property of like kind and quality, subject to b. below.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of the Valuation Condition in this Coverage Form or any applicable provision which amends or supersedes the Valuation Condition.

- b. The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.
- c. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
- d. We will not pay you more than your financial interest in the Covered Property.
- e. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
- g. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part, and:
  - (1) We have reached agreement with you on the amount of loss; or
  - (2) An appraisal award has been made.

h. A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance, the Valuation and Coinsurance Conditions and all other provisions of this Loss Payment Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer Of Rights Of Recovery Against Others To Us Condition in this policy.

#### 5. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

#### 6. Vacancy

##### a. Description Of Terms

(1) As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in (1)(a) and (1)(b) below:

(a) When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.

(b) When this policy is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:

- (i) Rented to a lessee or sublessee and used by the lessee or sublessee to conduct its customary operations; and/or
- (ii) Used by the building owner to conduct customary operations.

(2) Buildings under construction or renovation are not considered vacant.

##### b. Vacancy Provisions

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

(1) We will not pay for any loss or damage caused by any of the following, even if they are Covered Causes of Loss:

- (a) Vandalism;
- (b) Sprinkler leakage, unless you have protected the system against freezing;
- (c) Building glass breakage;
- (d) Water damage;
- (e) Theft; or
- (f) Attempted theft.

(2) With respect to Covered Causes of Loss other than those listed in b.(1)(a) through b.(1)(f) above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

#### 7. Valuation

We will determine the value of Covered Property in the event of loss or damage as follows:

- a. At actual cash value as of the time of loss or damage, except as provided in b., c., d. and e. below.
- b. If the Limit of Insurance for Building satisfies the Additional Condition, Coinsurance, and the cost to repair or replace the damaged building property is \$2,500 or less, we will pay the cost of building repairs or replacement.

The cost of building repairs or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

However, the following property will be valued at the actual cash value, even when attached to the building:

- (1) Awnings or floor coverings;
- (2) Appliances for refrigerating, ventilating, cooking, dishwashing or laundering; or
- (3) Outdoor equipment or furniture.
- c. "Stock" you have sold but not delivered at the selling price less discounts and expenses you otherwise would have had.
- d. Glass at the cost of replacement with safety-glazing material if required by law.
- e. Tenants' Improvements and Betterments at:
  - (1) Actual cash value of the lost or damaged property if you make repairs promptly.
  - (2) A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:
    - (a) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
    - (b) Divide the amount determined in (a) above by the number of days from the installation of improvements to the expiration of the lease.

If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.
  - (3) Nothing if others pay for repairs or replacement.

#### F. Additional Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

##### 1. Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies:

- a. We will not pay the full amount of any loss if the value of Covered Property at the time of loss times the Coinsurance percentage shown for it in the Declarations is greater than the Limit of Insurance for the property.

Instead, we will determine the most we will pay using the following steps:

- (1) Multiply the value of Covered Property at the time of loss by the Coinsurance percentage;
- (2) Divide the Limit of Insurance of the property by the figure determined in Step (1);
- (3) Multiply the total amount of loss, before the application of any deductible, by the figure determined in Step (2); and
- (4) Subtract the deductible from the figure determined in Step (3).

We will pay the amount determined in Step (4) or the Limit of Insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

#### Example 1 (Underinsurance)

When:	The value of the property is:	\$ 250,000
	The Coinsurance percentage for it is:	80%
	The Limit of Insurance for it is:	\$ 100,000
	The Deductible is:	\$ 250
	The amount of loss is:	\$ 40,000

Step (1):  $\$250,000 \times 80\% = \$200,000$   
(the minimum amount of insurance to meet your Coinsurance requirements)

Step (2):  $\$100,000 \div \$200,000 = .50$

Step (3):  $\$40,000 \times .50 = \$20,000$

Step (4):  $\$20,000 - \$250 = \$19,750$

We will pay no more than \$19,750. The remaining \$20,250 is not covered.

#### Example 2 (Adequate Insurance)

When:	The value of the property is:	\$ 250,000
	The Coinsurance percentage for it is:	80%
	The Limit of Insurance for it is:	\$ 200,000
	The Deductible is:	\$ 250
	The amount of loss is:	\$ 40,000

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 ( $\$250,000 \times 80\%$ ). Therefore, the Limit of Insurance in this example is adequate, and no penalty applies. We will pay no more than \$39,750 (\$40,000 amount of loss minus the deductible of \$250).

- b. If one Limit of Insurance applies to two or more separate items, this condition will apply to the total of all property to which the limit applies.

### Example 3

When:	The value of the property is:	
	Building at Location 1:	\$ 75,000
	Building at Location 2:	\$ 100,000
	Personal Property at Location 2:	\$ 75,000
		<u>\$ 250,000</u>
	The Coinsurance percentage for it is:	90%
	The Limit of Insurance for Buildings and Personal Property at Locations 1 and 2 is:	\$ 180,000
	The Deductible is:	\$ 1,000
	The amount of loss is:	
	Building at Location 2:	\$ 30,000
	Personal Property at Location 2:	<u>\$ 20,000</u>
		<u>\$ 50,000</u>

Step (1):  $\$250,000 \times 90\% = \$225,000$

(the minimum amount of insurance to meet your Coinsurance requirements and to avoid the penalty shown below)

Step (2):  $\$180,000 \div \$225,000 = .80$

Step (3):  $\$50,000 \times .80 = \$40,000$

Step (4):  $\$40,000 - \$1,000 = \$39,000$

We will pay no more than \$39,000. The remaining \$11,000 is not covered.

### 2. Mortgageholders

- The term mortgageholder includes trustee.
- We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.
- The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.
- If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the mortgageholder will still have the right to receive loss payment if the mortgageholder:
  - (1) Pays any premium due under this Coverage Part at our request if you have failed to do so;

- (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and

- (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this Coverage Part will then apply directly to the mortgageholder.

- If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:
  - (1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and
  - (2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- If we cancel this policy, we will give written notice to the mortgageholder at least:
  - (1) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or
  - (2) 30 days before the effective date of cancellation if we cancel for any other reason.

- If we elect not to renew this policy, we will give written notice to the mortgageholder at least 10 days before the expiration date of this policy.

### G. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item:

#### 1. Agreed Value

- The Additional Condition, Coinsurance, does not apply to Covered Property to which this Optional Coverage applies. We will pay no more for loss of or damage to that property than the proportion that the Limit of Insurance under this Coverage Part for the property bears to the Agreed Value shown for it in the Declarations.

b. If the expiration date for this Optional Coverage shown in the Declarations is not extended, the Additional Condition, Coinsurance, is reinstated and this Optional Coverage expires.

c. The terms of this Optional Coverage apply only to loss or damage that occurs:

- (1) On or after the effective date of this Optional Coverage; and
- (2) Before the Agreed Value expiration date shown in the Declarations or the policy expiration date, whichever occurs first.

## 2. Inflation Guard

a. The Limit of Insurance for property to which this Optional Coverage applies will automatically increase by the annual percentage shown in the Declarations.

b. The amount of increase will be:

- (1) The Limit of Insurance that applied on the most recent of the policy inception date, the policy anniversary date, or any other policy change amending the Limit of Insurance, times
- (2) The percentage of annual increase shown in the Declarations, expressed as a decimal (example: 8% is .08), times
- (3) The number of days since the beginning of the current policy year or the effective date of the most recent policy change amending the Limit of Insurance, divided by 365.

### Example

If: The applicable Limit of Insurance is: \$ 100,000  
 The annual percentage increase is: 8%

d. We will not pay on a replacement cost basis for any loss or damage:

- (1) Until the lost or damaged property is actually repaired or replaced; and

With respect to tenants' improvements and betterments, the following also apply:

- b. With respect to replacement cost on the personal property of others, the following limitation applies:

If an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance.

## CAUSES OF LOSS – SPECIAL FORM

Words and phrases that appear in quotation marks have special meaning. Refer to Section G. Definitions.

### A. Covered Causes Of Loss

When Special is shown in the Declarations, Covered Causes of Loss means direct physical loss unless the loss is excluded or limited in this policy.

### B. Exclusions

1. We will not pay for loss or damage caused directly or indirectly by any of the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

#### a. Ordinance Or Law

The enforcement of or compliance with any ordinance or law:

- (1) Regulating the construction, use or repair of any property; or
- (2) Requiring the tearing down of any property, including the cost of removing its debris.

This exclusion, Ordinance Or Law, applies whether the loss results from:

- (a) An ordinance or law that is enforced even if the property has not been damaged; or
- (b) The increased costs incurred to comply with an ordinance or law in the course of construction, repair, renovation, remodeling or demolition of property, or removal of its debris, following a physical loss to that property.

#### b. Earth Movement

- (1) Earthquake, including tremors and aftershocks and any earth sinking, rising or shifting related to such event;
- (2) Landslide, including any earth sinking, rising or shifting related to such event;
- (3) Mine subsidence, meaning subsidence of a man-made mine, whether or not mining activity has ceased;

- (4) Earth sinking (other than sinkhole collapse), rising or shifting including soil conditions which cause settling, cracking or other disarrangement of foundations or other parts of realty. Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil and the action of water under the ground surface.

But if Earth Movement, as described in b.(1) through (4) above, results in fire or explosion, we will pay for the loss or damage caused by that fire or explosion.

- (5) Volcanic eruption, explosion or effusion. But if volcanic eruption, explosion or effusion results in fire, building glass breakage or Volcanic Action, we will pay for the loss or damage caused by that fire, building glass breakage or Volcanic Action.

Volcanic Action means direct loss or damage resulting from the eruption of a volcano when the loss or damage is caused by:

- (a) Airborne volcanic blast or airborne shock waves;
- (b) Ash, dust or particulate matter; or
- (c) Lava flow.

With respect to coverage for Volcanic Action as set forth in (5)(a), (5)(b) and (5)(c), all volcanic eruptions that occur within any 168-hour period will constitute a single occurrence.

Volcanic Action does not include the cost to remove ash, dust or particulate matter that does not cause direct physical loss or damage to the described property.

This exclusion applies regardless of whether any of the above, in Paragraphs (1) through (5), is caused by an act of nature or is otherwise caused.

**c. Governmental Action**

Seizure or destruction of property by order of governmental authority.

But we will pay for loss or damage caused by or resulting from acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread, if the fire would be covered under this Coverage Part.

**d. Nuclear Hazard**

Nuclear reaction or radiation, or radioactive contamination, however caused.

But if nuclear reaction or radiation, or radioactive contamination, results in fire, we will pay for the loss or damage caused by that fire.

**e. Utility Services**

The failure of power, communication, water or other utility service supplied to the described premises, however caused, if the failure:

- (1) Originates away from the described premises; or
- (2) Originates at the described premises, but only if such failure involves equipment used to supply the utility service to the described premises from a source away from the described premises.

Failure of any utility service includes lack of sufficient capacity and reduction in supply.

Loss or damage caused by a surge of power is also excluded, if the surge would not have occurred but for an event causing a failure of power.

But if the failure or surge of power, or the failure of communication, water or other utility service, results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

Communication services include but are not limited to service relating to Internet access or access to any electronic, cellular or satellite network.

**f. War And Military Action**

- (1) War, including undeclared or civil war;

This exclusion applies regardless of whether any of the above, in Paragraphs (1) through (5), is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs (1) through (5), results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage (if sprinkler leakage is a Covered Cause of Loss).

**h. "Fungus", Wet Rot, Dry Rot And Bacteria**

Presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria.

But if "fungus", wet or dry rot or bacteria result in a "specified cause of loss", we will pay for the loss or damage caused by that "specified cause of loss".

This exclusion does not apply:

This exclusion, l., does not apply to damage to glass caused by chemicals applied to the glass.

  - c. The property which collapses is not of a kind listed in 4., regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph 5. does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

- 6. This Additional Coverage, Collapse, does not apply to personal property that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.
- 7. This Additional Coverage, Collapse, will not increase the Limits of Insurance provided in this Coverage Part.
- 8. The term Covered Cause of Loss includes the Additional Coverage, Collapse, as described and limited in D.1. through D.7.

#### **E. Additional Coverage – Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria**

- 1. The coverage described in E.2. and E.6. only applies when the "fungus", wet or dry rot or bacteria are the result of one or more of the following causes that occur during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence:

- a. A "specified cause of loss" other than fire or lightning; or
- b. Flood, if the Flood Coverage Endorsement applies to the affected premises.

This Additional Coverage does not apply to lawns, trees, shrubs or plants which are part of a vegetated roof.

- 2. We will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:

- a. Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;
- b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and
- c. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.

- 3. The coverage described under E.2. of this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) and Flood which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$15,000 even if the "fungus", wet or dry rot or bacteria continue to be present or active, or recur, in a later policy period.

4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria cause an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

5. The terms of this Limited Coverage do not increase or reduce the coverage provided under Paragraph F.2. (Water Damage, Other Liquids, Powder Or Molten Material Damage) of this Causes Of Loss form or under the Additional Coverage, Collapse.

6. The following, 6.a. or 6.b., applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the "suspension" of "operations" satisfies all terms and conditions of the applicable Business Income and/or Extra Expense Coverage Form:

- a. If the loss which resulted in "fungus", wet or dry rot or bacteria does not in itself necessitate a "suspension" of "operations", but such "suspension" is necessary due to loss or damage to property caused by "fungus", wet or dry rot or bacteria, then our payment under Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.
- b. If a covered "suspension" of "operations" was caused by loss or damage other than "fungus", wet or dry rot or bacteria but remediation of "fungus", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

## F. Additional Coverage Extensions

### 1. Property In Transit

This Extension applies only to your personal property to which this form applies.

- a. You may extend the insurance provided by this Coverage Part to apply to your personal property (other than property in the care, custody or control of your salespersons) in transit more than 100 feet from the described premises. Property must be in or on a motor vehicle you own, lease or operate while between points in the coverage territory.

- b. Loss or damage must be caused by or result from one of the following causes of loss:

- (1) Fire, lightning, explosion, windstorm or hail, riot or civil commotion, or vandalism.

- (2) Vehicle collision, upset or overturn. Collision means accidental contact of your vehicle with another vehicle or object. It does not mean your vehicle's contact with the roadbed.

- (3) Theft of an entire bale, case or package by forced entry into a securely locked body or compartment of the vehicle. There must be visible marks of the forced entry.

- c. The most we will pay for loss or damage under this Extension is \$5,000.

This Coverage Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

### 2. Water Damage, Other Liquids, Powder Or Molten Material Damage

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material damage loss occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes. This Coverage Extension does not increase the Limit of Insurance.

### 3. Glass

- a. We will pay for expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.

- b. We will pay for expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.

This Coverage Extension F.3. does not increase the Limit of Insurance.

#### G. Definitions

1. "Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.
2. "Specified causes of loss" means the following: fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire-extinguishing equipment; sinkhole collapse; volcanic action; falling objects; weight of snow, ice or sleet; water damage.
  - a. Sinkhole collapse means the sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This cause of loss does not include:
    - (1) The cost of filling sinkholes; or
    - (2) Sinking or collapse of land into man-made underground cavities.
  - b. Falling objects does not include loss or damage to:
    - (1) Personal property in the open; or
    - (2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object.

#### c. Water damage means:

- (1) Accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of a plumbing, heating, air conditioning or other system or appliance (other than a sump system including its related equipment and parts), that is located on the described premises and contains water or steam; and
- (2) Accidental discharge or leakage of water or waterborne material as the direct result of the breaking apart or cracking of a water or sewer pipe that is located off the described premises and is part of a municipal potable water supply system or municipal sanitary sewer system, if the breakage or cracking is caused by wear and tear.

But water damage does not include loss or damage otherwise excluded under the terms of the Water Exclusion. Therefore, for example, there is no coverage under this policy in the situation in which discharge or leakage of water results from the breaking apart or cracking of a pipe which was caused by or related to weather-induced flooding, even if wear and tear contributed to the breakage or cracking. As another example, and also in accordance with the terms of the Water Exclusion, there is no coverage for loss or damage caused by or related to weather-induced flooding which follows or is exacerbated by pipe breakage or cracking attributable to wear and tear.

To the extent that accidental discharge or leakage of water falls within the criteria set forth in c.(1) or c.(2) of this definition of "specified causes of loss," such water is not subject to the provisions of the Water Exclusion which preclude coverage for surface water or water under the surface of the ground.

## COMMERCIAL PROPERTY

**COMMERCIAL PROPERTY CONDITIONS**

This Coverage Part is subject to the following conditions, the Common Policy Conditions and applicable Loss Conditions and Additional Conditions in Commercial Property Coverage Forms.

**A. CONCEALMENT, MISREPRESENTATION OR FRAUD**

This Coverage Part is void in any case of fraud by you as it relates to this Coverage Part at any time. It is also void if you or any other insured, at any time, intentionally conceal or misrepresent a material fact concerning:

1. This Coverage Part;
2. The Covered Property;
3. Your interest in the Covered Property; or
4. A claim under this Coverage Part.

**B. CONTROL OF PROPERTY**

Any act or neglect of any person other than you beyond your direction or control will not affect this insurance.

The breach of any condition of this Coverage Part at any one or more locations will not affect coverage at any location where, at the time of loss or damage, the breach of condition does not exist.

**C. INSURANCE UNDER TWO OR MORE COVERAGES**

If two or more of this policy's coverages apply to the same loss or damage, we will not pay more than the actual amount of the loss or damage.

**D. LEGAL ACTION AGAINST US**

No one may bring a legal action against us under this Coverage Part unless:

1. There has been full compliance with all of the terms of this Coverage Part; and
2. The action is brought within 2 years after the date on which the direct physical loss or damage occurred.

**E. LIBERALIZATION**

If we adopt any revision that would broaden the coverage under this Coverage Part without additional premium within 45 days prior to or during the policy period, the broadened coverage will immediately apply to this Coverage Part.

**F. NO BENEFIT TO BAILEE**

No person or organization, other than you, having custody of Covered Property will benefit from this insurance.

**G. OTHER INSURANCE**

1. You may have other insurance subject to the same plan, terms, conditions and provisions as the insurance under this Coverage Part. If you do, we will pay our share of the covered loss or damage. Our share is the proportion that the applicable Limit of Insurance under this Coverage Part bears to the Limits of Insurance of all insurance covering on the same basis.
2. If there is other insurance covering the same loss or damage, other than that described in 1. above, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance.

**H. POLICY PERIOD, COVERAGE TERRITORY**

Under this Coverage Part:

1. We cover loss or damage commencing:
  - a. During the policy period shown in the Declarations; and
  - b. Within the coverage territory.
2. The coverage territory is:
  - a. The United States of America (including its territories and possessions);
  - b. Puerto Rico; and
  - c. Canada.

**I. TRANSFER OF RIGHTS OF RECOVERY  
AGAINST OTHERS TO US**

If any person or organization to or for whom we make payment under this Coverage Part has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

1. Prior to a loss to your Covered Property or Covered Income.
2. After a loss to your Covered Property or Covered Income only if, at time of loss, that party is one of the following:
  - a. Someone insured by this insurance;
  - b. A business firm:
    - (1) Owned or controlled by you; or
    - (2) That owns or controls you; or
  - c. Your tenant.

This will not restrict your insurance.

## BUILDING AND PERSONAL PROPERTY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section H. Definitions.

### A. Coverage

We will pay for direct physical loss of or damage to Covered Property at the premises described in the Declarations caused by or resulting from any Covered Cause of Loss.

#### 1. Covered Property

Covered Property, as used in this Coverage Part, means the type of property described in this section, A.1., and limited in A.2. Property Not Covered, if a Limit Of Insurance is shown in the Declarations for that type of property.

##### a. Building, meaning the building or structure described in the Declarations, including:

- (1) Completed additions;
- (2) Fixtures, including outdoor fixtures;
- (3) Permanently installed:
  - (a) Machinery; and
  - (b) Equipment;
- (4) Personal property owned by you that is used to maintain or service the building or structure or its premises, including:
  - (a) Fire-extinguishing equipment;
  - (b) Outdoor furniture;
  - (c) Floor coverings; and
  - (d) Appliances used for refrigerating, ventilating, cooking, dishwashing or laundering;

##### (5) If not covered by other insurance:

- (a) Additions under construction, alterations and repairs to the building or structure;
- (b) Materials, equipment, supplies and temporary structures, on or within 100 feet of the described premises, used for making additions, alterations or repairs to the building or structure.

### b. Your Business Personal Property

consists of the following property located in or on the building or structure described in the Declarations or in the open (or in a vehicle) within 100 feet of the building or structure or within 100 feet of the premises described in the Declarations, whichever distance is greater:

- (1) Furniture and fixtures;
- (2) Machinery and equipment;
- (3) "Stock";
- (4) All other personal property owned by you and used in your business;
- (5) Labor, materials or services furnished or arranged by you on personal property of others;
- (6) Your use interest as tenant in improvements and betterments. Improvements and betterments are fixtures, alterations, installations or additions:
  - (a) Made a part of the building or structure you occupy but do not own; and
  - (b) You acquired or made at your expense but cannot legally remove;
- (7) Leased personal property for which you have a contractual responsibility to insure, unless otherwise provided for under Personal Property Of Others.

### c. Personal Property Of Others that is:

- (1) In your care, custody or control; and
- (2) Located in or on the building or structure described in the Declarations or in the open (or in a vehicle) within 100 feet of the building or structure or within 100 feet of the premises described in the Declarations, whichever distance is greater.

EXHIBIT "B"

However, our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

## 2. Property Not Covered

Covered Property does not include:

- a. Accounts, bills, currency, food stamps or other evidences of debt, money, notes or securities. Lottery tickets held for sale are not securities;
- b. Animals, unless owned by others and boarded by you, or if owned by you, only as "stock" while inside of buildings;
- c. Automobiles held for sale;
- d. Bridges, roadways, walks, patios or other paved surfaces;
- e. Contraband, or property in the course of illegal transportation or trade;
- f. The cost of excavations, grading, backfilling or filling;
- g. Foundations of buildings, structures, machinery or boilers if their foundations are below:
  - (1) The lowest basement floor; or
  - (2) The surface of the ground, if there is no basement;
- h. Land (including land on which the property is located), water, growing crops or lawns (other than lawns which are part of a vegetated roof);
- i. Personal property while airborne or waterborne;
- j. Bulkheads, pilings, piers, wharves or docks;
- k. Property that is covered under another coverage form of this or any other policy in which it is more specifically described, except for the excess of the amount due (whether you can collect on it or not) from that other insurance;
- l. Retaining walls that are not part of a building;
- m. Underground pipes, flues or drains;
- n. Electronic data, except as provided under the Additional Coverage, Electronic Data. Electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data. This paragraph, n., does not apply to your "stock" of prepackaged software, or to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system;
- o. The cost to replace or restore the information on valuable papers and records, including those which exist as electronic data. Valuable papers and records include but are not limited to proprietary information, books of account, deeds, manuscripts, abstracts, drawings and card index systems. Refer to the Coverage Extension for Valuable Papers And Records (Other Than Electronic Data) for limited coverage for valuable papers and records other than those which exist as electronic data;
- p. Vehicles or self-propelled machines (including aircraft or watercraft) that:
  - (1) Are licensed for use on public roads; or
  - (2) Are operated principally away from the described premises.

This paragraph does not apply to:

  - (a) Vehicles or self-propelled machines or autos you manufacture, process or warehouse;

- (b) Vehicles or self-propelled machines, other than autos, you hold for sale;
  - (c) Rowboats or canoes out of water at the described premises; or
  - (d) Trailers, but only to the extent provided for in the Coverage Extension for Non-owned Detached Trailers; or
- q. The following property while outside of buildings:
- (1) Grain, hay, straw or other crops;
  - (2) Fences, radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers, trees, shrubs or plants (other than trees, shrubs or plants which are "stock" or are part of a vegetated roof), all except as provided in the Coverage Extensions.
- 3. Covered Causes Of Loss**
- See applicable Causes Of Loss form as shown in the Declarations.
- 4. Additional Coverages**
- a. Debris Removal**
- (1) Subject to Paragraphs (2), (3) and (4), we will pay your expense to remove debris of Covered Property and other debris that is on the described premises, when such debris is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
  - (2) Debris Removal does not apply to costs to:
    - (a) Remove debris of property of yours that is not insured under this policy, or property in your possession that is not Covered Property;
    - (b) Remove debris of property owned by or leased to the landlord of the building where your described premises are located, unless you have a contractual responsibility to insure such property and it is insured under this policy;
    - (c) Remove any property that is Property Not Covered, including property addressed under the Outdoor Property Coverage Extension;
    - (d) Remove property of others of a type that would not be Covered Property under this Coverage Form;
    - (e) Remove deposits of mud or earth from the grounds of the described premises;
    - (f) Extract "pollutants" from land or water; or
    - (g) Remove, restore or replace polluted land or water.
  - (3) Subject to the exceptions in Paragraph (4), the following provisions apply:
    - (a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
    - (b) Subject to (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage. However, if no Covered Property has sustained direct physical loss or damage, the most we will pay for removal of debris of other property (if such removal is covered under this Additional Coverage) is \$5,000 at each location.
  - (4) We will pay up to an additional \$25,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:
    - (a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.
    - (b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if (4)(a) and/or (4)(b) applies, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$25,000.

**(5) Examples**

The following examples assume that there is no Coinsurance penalty.

**Example 1**

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 50,000
Amount of Loss Payable:	\$ 49,500
	(\$50,000 - \$500)
Debris Removal Expense:	\$ 10,000
Debris Removal Expense Payable:	\$ 10,000
	(\$10,000 is 20% of \$50,000.)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore, the full amount of debris removal expense is payable in accordance with the terms of Paragraph (3).

**Example 2**

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 80,000
Amount of Loss Payable:	\$ 79,500
	(\$80,000 - \$500)
Debris Removal Expense:	\$ 40,000
Debris Removal Expense Payable	
Basic Amount:	\$ 10,500
Additional Amount:	\$ 25,000

The basic amount payable for debris removal expense under the terms of Paragraph (3) is calculated as follows: \$80,000 (\$79,500 + \$500) x .25 = \$20,000, capped at \$10,500. The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph (4), because the debris removal expense (\$40,000) exceeds 25% of the loss payable plus the deductible (\$40,000 is 50% of \$80,000), and because the sum of the loss payable and debris removal expense (\$79,500 + \$40,000 = \$119,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$25,000, the maximum payable under Paragraph (4). Thus, the total payable for debris removal expense in this example is \$35,500; \$4,500 of the debris removal expense is not covered.

**b. Preservation Of Property**

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss or damage to that property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the loss or damage occurs within 30 days after the property is first moved.

**c. Fire Department Service Charge**

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$1,000 for service at each premises described in the Declarations, unless a higher limit is shown in the Declarations. Such limit is the most we will pay regardless of the number of responding fire departments or fire units, and regardless of the number or type of services performed.

This Additional Coverage applies to your liability for fire department service charges:

- (1) Assumed by contract or agreement prior to loss; or
- (2) Required by local ordinance.

No Deductible applies to this Additional Coverage.

**d. Pollutant Clean-up And Removal**

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage for each described premises is \$10,000 for the sum of all covered expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

**e. Increased Cost Of Construction**

- (1) This Additional Coverage applies only to buildings to which the Replacement Cost Optional Coverage applies.
- (2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with the minimum standards of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in e.(3) through e.(9) of this Additional Coverage.
- (3) The ordinance or law referred to in e.(2) of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises and is in force at the time of loss.
- (4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:
  - (a) You were required to comply with before the loss, even when the building was undamaged; and
  - (b) You failed to comply with.

(5) Under this Additional Coverage, we will not pay for:

- (a) The enforcement of or compliance with any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or
- (b) Any costs associated with the enforcement of or compliance with an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.

(6) The most we will pay under this Additional Coverage, for each described building insured under this Coverage Form, is \$10,000 or 5% of the Limit of Insurance applicable to that building, whichever is less. If a damaged building is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for that damaged building, is the lesser of \$10,000 or 5% times the value of the damaged building as of the time of loss times the applicable Coinsurance percentage.

The amount payable under this Additional Coverage is additional insurance.

(7) With respect to this Additional Coverage:

- (a) We will not pay for the Increased Cost of Construction:
  - (i) Until the property is actually repaired or replaced at the same or another premises; and
  - (ii) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

- (b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of e.(6) of this Additional Coverage, is the increased cost of construction at the same premises.
  - (c) If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of e.(6) of this Additional Coverage, is the increased cost of construction at the new premises.
  - (8) This Additional Coverage is not subject to the terms of the Ordinance Or Law Exclusion to the extent that such Exclusion would conflict with the provisions of this Additional Coverage.
  - (9) The costs addressed in the Loss Payment and Valuation Conditions and the Replacement Cost Optional Coverage, in this Coverage Form, do not include the increased cost attributable to enforcement of or compliance with an ordinance or law. The amount payable under this Additional Coverage, as stated in e.(6) of this Additional Coverage, is not subject to such limitation.
- f. Electronic Data**
- (1) Under this Additional Coverage, electronic data has the meaning described under Property Not Covered, Electronic Data. This Additional Coverage does not apply to your "stock" of prepackaged software, or to electronic data which is integrated in and operates or controls the building's elevator lighting heating ventilation air conditioning or security system.
  - (2) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore electronic data which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.
  - (3) The Covered Causes of Loss applicable to Your Business Personal Property apply to this Additional Coverage, Electronic Data, subject to the following:
    - (a) If the Causes Of Loss – Special Form applies, coverage under this Additional Coverage, Electronic Data, is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
    - (b) If the Causes Of Loss – Broad Form applies, coverage under this Additional Coverage, Electronic Data, includes Collapse as set forth in that form.
    - (c) If the Causes Of Loss form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Electronic Data.
    - (d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.

- (4) The most we will pay under this Additional Coverage, Electronic Data, is \$2,500 (unless a higher limit is shown in the Declarations) for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

#### 5. Coverage Extensions

Except as otherwise provided, the following Extensions apply to property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

If a Coinsurance percentage of 80% or more, or a Value Reporting period symbol, is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

##### a. Newly Acquired Or Constructed Property

###### (1) Buildings

If this policy covers Building, you may extend that insurance to apply to:

- (a) Your new buildings while being built on the described premises; and
- (b) Buildings you acquire at locations, other than the described premises, intended for:
  - (i) Similar use as the building described in the Declarations; or
  - (ii) Use as a warehouse.

The most we will pay for loss or damage under this Extension is \$250,000 at each building.

#### (2) Your Business Personal Property

- (a) If this policy covers Your Business Personal Property, you may extend that insurance to apply to:

- (i) Business personal property, including such property that you newly acquire, at any location you acquire other than at fairs, trade shows or exhibitions; or
- (ii) Business personal property, including such property that you newly acquire, located at your newly constructed or acquired buildings at the location described in the Declarations.

The most we will pay for loss or damage under this Extension is \$100,000 at each building.

- (b) This Extension does not apply to:

- (i) Personal property of others that is temporarily in your possession in the course of installing or performing work on such property; or
- (ii) Personal property of others that is temporarily in your possession in the course of your manufacturing or wholesaling activities.

#### (3) Period Of Coverage

With respect to insurance provided under this Coverage Extension for Newly Acquired Or Constructed Property, coverage will end when any of the following first occurs:

- (a) This policy expires;
- (b) 30 days expire after you acquire the property or begin construction of that part of the building that would qualify as covered property; or
- (c) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property or begin construction of that part of the building that would qualify as covered property.

**b. Personal Effects And Property Of Others**

You may extend the insurance that applies to Your Business Personal Property to apply to:

- (1) Personal effects owned by you, your officers, your partners or members, your managers or your employees. This Extension does not apply to loss or damage by theft.
- (2) Personal property of others in your care, custody or control.

The most we will pay for loss or damage under this Extension is \$2,500 at each described premises. Our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

**c. Valuable Papers And Records (Other Than Electronic Data)**

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to the cost to replace or restore the lost information on valuable papers and records for which duplicates do not exist. But this Extension does not apply to valuable papers and records which exist as electronic data. Electronic data has the meaning described under Property Not Covered, Electronic Data.
- (2) If the Causes Of Loss – Special Form applies, coverage under this Extension is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
- (3) If the Causes Of Loss – Broad Form applies, coverage under this Extension includes Collapse as set forth in that form.
- (4) Under this Extension, the most we will pay to replace or restore the lost information is \$2,500 at each described premises, unless a higher limit is shown in the Declarations. Such amount is additional insurance. We will also pay for the cost of blank material for reproducing the records (whether or not duplicates exist) and (when there is a duplicate) for the cost of labor to transcribe or copy the records. The costs of blank material and labor are subject to the applicable Limit of Insurance on Your Business Personal Property and, therefore, coverage of such costs is not additional insurance.

**d. Property Off-premises**

- (1) You may extend the insurance provided by this Coverage Form to apply to your Covered Property while it is away from the described premises, if it is:
  - (a) Temporarily at a location you do not own, lease or operate;
  - (b) In storage at a location you lease, provided the lease was executed after the beginning of the current policy term; or
  - (c) At any fair, trade show or exhibition.
- (2) This Extension does not apply to property:
  - (a) In or on a vehicle; or
  - (b) In the care, custody or control of your salespersons, unless the property is in such care, custody or control at a fair, trade show or exhibition.
- (3) The most we will pay for loss or damage under this Extension is \$10,000.

**e. Outdoor Property**

You may extend the insurance provided by this Coverage Form to apply to your outdoor fences, radio and television antennas (including satellite dishes), trees, shrubs and plants (other than trees, shrubs or plants which are "stock" or are part of a vegetated roof), including debris removal expense, caused by or resulting from any of the following causes of loss if they are Covered Causes of Loss:

- (1) Fire;
- (2) Lightning;
- (3) Explosion;
- (4) Riot or Civil Commotion; or
- (5) Aircraft.

The most we will pay for loss or damage under this Extension is \$1,000, but not more than \$250 for any one tree, shrub or plant. These limits apply to any one occurrence, regardless of the types or number of items lost or damaged in that occurrence.

Subject to all aforementioned terms and limitations of coverage, this Coverage Extension includes the expense of removing from the described premises the debris of trees, shrubs and plants which are the property of others, except in the situation in which you are a tenant and such property is owned by the landlord of the described premises.

**f. Non-owned Detached Trailers**

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to loss or damage to trailers that you do not own, provided that:
  - (a) The trailer is used in your business;
  - (b) The trailer is in your care, custody or control at the premises described in the Declarations; and
  - (c) You have a contractual responsibility to pay for loss or damage to the trailer.
- (2) We will not pay for any loss or damage that occurs:
  - (a) While the trailer is attached to any motor vehicle or motorized conveyance, whether or not the motor vehicle or motorized conveyance is in motion;
  - (b) During hitching or unhitching operations, or when a trailer becomes accidentally unhitched from a motor vehicle or motorized conveyance.
- (3) The most we will pay for loss or damage under this Extension is \$5,000, unless a higher limit is shown in the Declarations.
- (4) This insurance is excess over the amount due (whether you can collect on it or not) from any other insurance covering such property.

**g. Business Personal Property Temporarily In Portable Storage Units**

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to such property while temporarily stored in a portable storage unit (including a detached trailer) located within 100 feet of the building or structure described in the Declarations or within 100 feet of the premises described in the Declarations, whichever distance is greater.

- (2) If the applicable Covered Causes of Loss form or endorsement contains a limitation or exclusion concerning loss or damage from sand, dust, sleet, snow, ice or rain to property in a structure, such limitation or exclusion also applies to property in a portable storage unit.

**(3) Coverage under this Extension:**

- (a) Will end 90 days after the business personal property has been placed in the storage unit;
- (b) Does not apply if the storage unit itself has been in use at the described premises for more than 90 consecutive days, even if the business personal property has been stored there for 90 or fewer days as of the time of loss or damage.
- (4) Under this Extension, the most we will pay for the total of all loss or damage to business personal property is \$10,000 (unless a higher limit is indicated in the Declarations for such Extension) regardless of the number of storage units. Such limit is part of, not in addition to, the applicable Limit of Insurance on Your Business Personal Property. Therefore, payment under this Extension will not increase the applicable Limit of Insurance on Your Business Personal Property.
- (5) This Extension does not apply to loss or damage otherwise covered under this Coverage Form or any endorsement to this Coverage Form or policy, and does not apply to loss or damage to the storage unit itself.

Each of these Extensions is additional insurance unless otherwise indicated. The Additional Condition, Coinsurance, does not apply to these Extensions.

**B. Exclusions And Limitations**

See applicable Causes Of Loss form as shown in the Declarations.

**C. Limits Of Insurance**

The most we will pay for loss or damage in any one occurrence is the applicable Limit Of Insurance shown in the Declarations.

The most we will pay for loss or damage to outdoor signs, whether or not the sign is attached to a building, is \$2,500 per sign in any one occurrence.

The amounts of insurance stated in the following Additional Coverages apply in accordance with the terms of such coverages and are separate from the Limit(s) Of Insurance shown in the Declarations for any other coverage:

1. Fire Department Service Charge;
2. Pollutant Clean-up And Removal;
3. Increased Cost Of Construction; and
4. Electronic Data.

Payments under the Preservation Of Property Additional Coverage will not increase the applicable Limit of Insurance.

#### D. Deductible

In any one occurrence of loss or damage (hereinafter referred to as loss), we will first reduce the amount of loss if required by the Coinsurance Condition or the Agreed Value Optional Coverage. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the adjusted amount of loss and will pay the resulting amount or the Limit of Insurance, whichever is less.

When the occurrence involves loss to more than one item of Covered Property and separate Limits of Insurance apply, the losses will not be combined in determining application of the Deductible. But the Deductible will be applied only once per occurrence.

#### Example 1

(This example assumes there is no Coinsurance penalty.)

Deductible:	\$ 250
Limit of Insurance – Building 1:	\$ 60,000
Limit of Insurance – Building 2:	\$ 80,000
Loss to Building 1:	\$ 60,100
Loss to Building 2:	\$ 90,000

The amount of loss to Building 1 (\$60,100) is less than the sum (\$60,250) of the Limit of Insurance applicable to Building 1 plus the Deductible.

The Deductible will be subtracted from the amount of loss in calculating the loss payable for Building 1:

$$\begin{array}{r} \$ 60,100 \\ - \quad 250 \\ \hline \end{array}$$

\$ 59,850 Loss Payable – Building 1

The Deductible applies once per occurrence and therefore is not subtracted in determining the amount of loss payable for Building 2. Loss payable for Building 2 is the Limit of Insurance of \$80,000.

Total amount of loss payable:

$$\$59,850 + \$80,000 = \$139,850$$

#### Example 2

(This example, too, assumes there is no Coinsurance penalty.)

The Deductible and Limits of Insurance are the same as those in Example 1.

Loss to Building 1:	\$ 70,000
(Exceeds Limit of Insurance plus Deductible)	
Loss to Building 2:	\$ 90,000
(Exceeds Limit of Insurance plus Deductible)	
Loss Payable – Building 1:	\$ 60,000
(Limit of Insurance)	
Loss Payable – Building 2:	\$ 80,000
(Limit of Insurance)	
Total amount of loss payable:	\$ 140,000

#### E. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

##### 1. Abandonment

There can be no abandonment of any property to us.

##### 2. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

##### 3. Duties In The Event Of Loss Or Damage

- a. You must see that the following are done in the event of loss or damage to Covered Property:

- (1) Notify the police if a law may have been broken.

- (2) Give us prompt notice of the loss or damage. Include a description of the property involved.
- (3) As soon as possible, give us a description of how, when and where the loss or damage occurred.
- (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
- (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
- (6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.  
Also, permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.
- (7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
- (8) Cooperate with us in the investigation or settlement of the claim.
- b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

#### 4. Loss Payment

- a. In the event of loss or damage covered by this Coverage Form, at our option, we will either:
  - (1) Pay the value of lost or damaged property;
  - (2) Pay the cost of repairing or replacing the lost or damaged property, subject to b. below;
  - (3) Take all or any part of the property at an agreed or appraised value; or
  - (4) Repair, rebuild or replace the property with other property of like kind and quality, subject to b. below.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of the Valuation Condition in this Coverage Form or any applicable provision which amends or supersedes the Valuation Condition.
- b. The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.
- c. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
- d. We will not pay you more than your financial interest in the Covered Property.
- e. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
- g. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part, and:
  - (1) We have reached agreement with you on the amount of loss; or
  - (2) An appraisal award has been made.

- h. A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance, the Valuation and Coinsurance Conditions and all other provisions of this Loss Payment Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer Of Rights Of Recovery Against Others To Us Condition in this policy.

#### 5. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

#### 6. Vacancy

##### a. Description Of Terms

- (1) As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in (1)(a) and (1)(b) below:
  - (a) When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.

- (b) When this policy is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:

- (i) Rented to a lessee or sublessee and used by the lessee or sublessee to conduct its customary operations; and/or
- (ii) Used by the building owner to conduct customary operations.

- (2) Buildings under construction or renovation are not considered vacant.

##### b. Vacancy Provisions

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

- (1) We will not pay for any loss or damage caused by any of the following, even if they are Covered Causes of Loss:
  - (a) Vandalism;
  - (b) Sprinkler leakage, unless you have protected the system against freezing;
  - (c) Building glass breakage;
  - (d) Water damage;
  - (e) Theft; or
  - (f) Attempted theft.
- (2) With respect to Covered Causes of Loss other than those listed in b.(1)(a) through b.(1)(f) above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

#### 7. Valuation

We will determine the value of Covered Property in the event of loss or damage as follows:

- a. At actual cash value as of the time of loss or damage, except as provided in b., c., d. and e. below.
- b. If the Limit of Insurance for Building satisfies the Additional Condition, Coinsurance, and the cost to repair or replace the damaged building property is \$2,500 or less, we will pay the cost of building repairs or replacement.

The cost of building repairs or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

However, the following property will be valued at the actual cash value, even when attached to the building:

- (1) Awnings or floor coverings;
  - (2) Appliances for refrigerating, ventilating, cooking, dishwashing or laundering; or
  - (3) Outdoor equipment or furniture.
- c. "Stock" you have sold but not delivered at the selling price less discounts and expenses you otherwise would have had.
- d. Glass at the cost of replacement with safety-glazing material if required by law.
- e. Tenants' Improvements and Betterments at:
- (1) Actual cash value of the lost or damaged property if you make repairs promptly.
  - (2) A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:
    - (a) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
    - (b) Divide the amount determined in (a) above by the number of days from the installation of improvements to the expiration of the lease.

If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.
  - (3) Nothing if others pay for repairs or replacement.

#### F. Additional Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

##### 1. Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies:

- a. We will not pay the full amount of any loss if the value of Covered Property at the time of loss times the Coinsurance percentage shown for it in the Declarations is greater than the Limit of Insurance for the property.

Instead, we will determine the most we will pay using the following steps:

- (1) Multiply the value of Covered Property at the time of loss by the Coinsurance percentage;
- (2) Divide the Limit of Insurance of the property by the figure determined in Step (1);
- (3) Multiply the total amount of loss, before the application of any deductible, by the figure determined in Step (2); and
- (4) Subtract the deductible from the figure determined in Step (3).

We will pay the amount determined in Step (4) or the Limit of Insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

#### Example 1 (Underinsurance)

When:	The value of the property is:	\$ 250,000
	The Coinsurance percentage for it is:	80%
	The Limit of Insurance for it is:	\$ 100,000
	The Deductible is:	\$ 250
	The amount of loss is:	\$ 40,000

Step (1):  $\$250,000 \times 80\% = \$200,000$   
(the minimum amount of insurance to meet your Coinsurance requirements)

Step (2):  $\$100,000 \div \$200,000 = .50$

Step (3):  $\$40,000 \times .50 = \$20,000$

Step (4):  $\$20,000 - \$250 = \$19,750$

We will pay no more than \$19,750. The remaining \$20,250 is not covered.

#### Example 2 (Adequate Insurance)

When:	The value of the property is:	\$ 250,000
	The Coinsurance percentage for it is:	80%
	The Limit of Insurance for it is:	\$ 200,000
	The Deductible is:	\$ 250
	The amount of loss is:	\$ 40,000

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 ( $\$250,000 \times 80\%$ ). Therefore, the Limit of Insurance in this example is adequate, and no penalty applies. We will pay no more than \$39,750 (\$40,000 amount of loss minus the deductible of \$250).

- b. If one Limit of Insurance applies to two or more separate items, this condition will apply to the total of all property to which the limit applies.

### Example 3

When:	The value of the property is:	
	Building at Location 1:	\$ 75,000
	Building at Location 2:	\$ 100,000
	Personal Property at Location 2:	\$ 75,000
		<u>\$ 250,000</u>
	The Coinsurance percentage for it is:	90%
	The Limit of Insurance for Buildings and Personal Property at Locations 1 and 2 is:	\$ 180,000
	The Deductible is:	\$ 1,000
	The amount of loss is:	
	Building at Location 2:	\$ 30,000
	Personal Property at Location 2:	\$ 20,000
		<u>\$ 50,000</u>

Step (1):  $\$250,000 \times 90\% = \$225,000$   
(the minimum amount of insurance to meet your Coinsurance requirements and to avoid the penalty shown below)

Step (2):  $\$180,000 \div \$225,000 = .80$

Step (3):  $\$50,000 \times .80 = \$40,000$

Step (4):  $\$40,000 - \$1,000 = \$39,000$

We will pay no more than \$39,000. The remaining \$11,000 is not covered.

## 2. Mortgageholders

- The term mortgageholder includes trustee.
- We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.
- The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.
- If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the mortgageholder will still have the right to receive loss payment if the mortgageholder:
  - (1) Pays any premium due under this Coverage Part at our request if you have failed to do so;

- (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and

- (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this Coverage Part will then apply directly to the mortgageholder.

- If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:
  - (1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and
  - (2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- If we cancel this policy, we will give written notice to the mortgageholder at least:
  - (1) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or
  - (2) 30 days before the effective date of cancellation if we cancel for any other reason.

- If we elect not to renew this policy, we will give written notice to the mortgageholder at least 10 days before the expiration date of this policy.

## G. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item:

### 1. Agreed Value

- The Additional Condition, Coinsurance, does not apply to Covered Property to which this Optional Coverage applies. We will pay no more for loss of or damage to that property than the proportion that the Limit of Insurance under this Coverage Part for the property bears to the Agreed Value shown for it in the Declarations.

b. If the expiration date for this Optional Coverage shown in the Declarations is not extended, the Additional Condition, Coinsurance, is reinstated and this Optional Coverage expires.

c. The terms of this Optional Coverage apply only to loss or damage that occurs:

- (1) On or after the effective date of this Optional Coverage; and
- (2) Before the Agreed Value expiration date shown in the Declarations or the policy expiration date, whichever occurs first.

## 2. Inflation Guard

a. The Limit of Insurance for property to which this Optional Coverage applies will automatically increase by the annual percentage shown in the Declarations.

b. The amount of increase will be:

- (1) The Limit of Insurance that applied on the most recent of the policy inception date, the policy anniversary date, or any other policy change amending the Limit of Insurance, times
- (2) The percentage of annual increase shown in the Declarations, expressed as a decimal (example: 8% is .08), times
- (3) The number of days since the beginning of the current policy year or the effective date of the most recent policy change amending the Limit of Insurance, divided by 365.

### Example

If: The applicable Limit of Insurance is: \$ 100,000  
 The annual percentage increase is: 8%  
 The number of days since the beginning of the policy year (or last policy change) is: 146  
 The amount of increase is:  
 $\$100,000 \times .08 \times 146 \div 365 = \$ 3,200$

## 3. Replacement Cost

a. Replacement Cost (without deduction for depreciation) replaces Actual Cash Value in the Valuation Loss Condition of this Coverage Form.

b. This Optional Coverage does not apply to:

- (1) Personal property of others;
- (2) Contents of a residence;
- (3) Works of art, antiques or rare articles, including etchings, pictures, statuary, marbles, bronzes, porcelains and bric-a-brac; or

(4) "Stock", unless the Including "Stock" option is shown in the Declarations.

Under the terms of this Replacement Cost Optional Coverage, tenants' improvements and betterments are not considered to be the personal property of others.

c. You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the additional coverage this Optional Coverage provides if you notify us of your intent to do so within 180 days after the loss or damage.

d. We will not pay on a replacement cost basis for any loss or damage:

- (1) Until the lost or damaged property is actually repaired or replaced; and
- (2) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage.

With respect to tenants' improvements and betterments, the following also apply:

(3) If the conditions in d.(1) and d.(2) above are not met, the value of tenants' improvements and betterments will be determined as a proportion of your original cost, as set forth in the Valuation Loss Condition of this Coverage Form; and

(4) We will not pay for loss or damage to tenants' improvements and betterments if others pay for repairs or replacement.

e. We will not pay more for loss or damage on a replacement cost basis than the least of (1), (2) or (3), subject to f. below:

- (1) The Limit of Insurance applicable to the lost or damaged property;
- (2) The cost to replace the lost or damaged property with other property:
  - (a) Of comparable material and quality; and
  - (b) Used for the same purpose; or
- (3) The amount actually spent that is necessary to repair or replace the lost or damaged property.

If a building is rebuilt at a new premises, the cost described in e.(2) above is limited to the cost which would have been incurred if the building had been rebuilt at the original premises.

- f. The cost of repair or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

**4. Extension Of Replacement Cost To Personal Property Of Others**

- a. If the Replacement Cost Optional Coverage is shown as applicable in the Declarations, then this Extension may also be shown as applicable. If the Declarations show this Extension as applicable, then Paragraph 3.b.(1) of the Replacement Cost Optional Coverage is deleted and all other provisions of the Replacement Cost Optional Coverage apply to replacement cost on personal property of others.

- b. With respect to replacement cost on the personal property of others, the following limitation applies:

If an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance.

COMMERCIAL PROPERTY  
CP 00 30 10 12**BUSINESS INCOME (AND EXTRA EXPENSE)  
COVERAGE FORM**

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section F, Definitions.

**A. Coverage****1. Business Income**

Business Income means the:

- a. Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred; and
- b. Continuing normal operating expenses incurred, including payroll.

For manufacturing risks, Net Income includes the net sales value of production.

Coverage is provided as described and limited below for one or more of the following options for which a Limit Of Insurance is shown in the Declarations:

- (1) Business Income Including "Rental Value".
- (2) Business Income Other Than "Rental Value".
- (3) "Rental Value".

If option (1) above is selected, the term Business Income will include "Rental Value". If option (3) above is selected, the term Business Income will mean "Rental Value" only.

If Limits of Insurance are shown under more than one of the above options, the provisions of this Coverage Part apply separately to each.

We will pay for the actual loss of Business Income you sustain due to the necessary "suspension" of your "operations" during the "period of restoration". The "suspension" must be caused by direct physical loss of or damage to property at premises which are described in the Declarations and for which a Business Income Limit Of Insurance is shown in the Declarations. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of such premises.

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of a building, your premises means:

- (a) The portion of the building which you rent, lease or occupy;
- (b) The area within 100 feet of the building or within 100 feet of the premises described in the Declarations, whichever distance is greater (with respect to loss of or damage to personal property in the open or personal property in a vehicle); and
- (c) Any area within the building or at the described premises, if that area services, or is used to gain access to, the portion of the building which you rent, lease or occupy.

**2. Extra Expense**

- a. Extra Expense Coverage is provided at the premises described in the Declarations only if the Declarations show that Business Income Coverage applies at that premises.
- b. Extra Expense means necessary expenses you incur during the "period of restoration" that you would not have incurred if there had been no direct physical loss or damage to property caused by or resulting from a Covered Cause of Loss.

We will pay Extra Expense (other than the expense to repair or replace property) to:

- (1) Avoid or minimize the "suspension" of business and to continue operations at the described premises or at replacement premises or temporary locations, including relocation expenses and costs to equip and operate the replacement location or temporary location.

- (2) Minimize the "suspension" of business if you cannot continue "operations".

We will also pay Extra Expense to repair or replace property, but only to the extent it reduces the amount of loss that otherwise would have been payable under this Coverage Form.

### 3. Covered Causes Of Loss, Exclusions And Limitations

See applicable Causes Of Loss form as shown in the Declarations.

### 4. Additional Limitation – Interruption Of Computer Operations

- a. Coverage for Business Income does not apply when a "suspension" of "operations" is caused by destruction or corruption of electronic data, or any loss or damage to electronic data, except as provided under the Additional Coverage, Interruption Of Computer Operations.
- b. Coverage for Extra Expense does not apply when action is taken to avoid or minimize a "suspension" of "operations" caused by destruction or corruption of electronic data, or any loss or damage to electronic data, except as provided under the Additional Coverage, Interruption Of Computer Operations.
- c. Electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data.
- d. This Additional Limitation does not apply when loss or damage to electronic data involves only electronic data which is integrated in and operates or controls a building's elevator, lighting, heating, ventilation, air conditioning or security system.

## 5. Additional Coverages

### a. Civil Authority

In this Additional Coverage, Civil Authority, the described premises are premises to which this Coverage Form applies, as shown in the Declarations.

When a Covered Cause of Loss causes damage to property other than property at the described premises, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises, provided that both of the following apply:

- (1) Access to the area immediately surrounding the damaged property is prohibited by civil authority as a result of the damage, and the described premises are within that area but are not more than one mile from the damaged property; and
- (2) The action of civil authority is taken in response to dangerous physical conditions resulting from the damage or continuation of the Covered Cause of Loss that caused the damage, or the action is taken to enable a civil authority to have unimpeded access to the damaged property.

Civil Authority Coverage for Business Income will begin 72 hours after the time of the first action of civil authority that prohibits access to the described premises and will apply for a period of up to four consecutive weeks from the date on which such coverage began.

Civil Authority Coverage for Extra Expense will begin immediately after the time of the first action of civil authority that prohibits access to the described premises and will end:

- (1) Four consecutive weeks after the date of that action; or
- (2) When your Civil Authority Coverage for Business Income ends;

whichever is later.

**b. Alterations And New Buildings**

We will pay for the actual loss of Business Income you sustain and necessary Extra Expense you incur due to direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss to:

- (1) New buildings or structures, whether complete or under construction;
- (2) Alterations or additions to existing buildings or structures; and
- (3) Machinery, equipment, supplies or building materials located on or within 100 feet of the described premises and:
  - (a) Used in the construction, alterations or additions; or
  - (b) Incidental to the occupancy of new buildings.

If such direct physical loss or damage delays the start of "operations", the "period of restoration" for Business Income Coverage will begin on the date "operations" would have begun if the direct physical loss or damage had not occurred.

**c. Extended Business Income****(1) Business Income Other Than "Rental Value"**

If the necessary "suspension" of your "operations" produces a Business Income loss payable under this policy, we will pay for the actual loss of Business Income you incur during the period that:

- (a) Begins on the date property (except "finished stock") is actually repaired, rebuilt or replaced and "operations" are resumed; and
- (b) Ends on the earlier of:
  - (i) The date you could restore your "operations", with reasonable speed, to the level which would generate the business income amount that would have existed if no direct physical loss or damage had occurred; or
  - (ii) 60 consecutive days after the date determined in (1)(a) above.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

**(2) "Rental Value"**

If the necessary "suspension" of your "operations" produces a "Rental Value" loss payable under this policy, we will pay for the actual loss of "Rental Value" you incur during the period that:

- (a) Begins on the date property is actually repaired, rebuilt or replaced and tenantability is restored; and
- (b) Ends on the earlier of:
  - (i) The date you could restore tenant occupancy, with reasonable speed, to the level which would generate the "Rental Value" that would have existed if no direct physical loss or damage had occurred; or
  - (ii) 60 consecutive days after the date determined in (2)(a) above.

However, Extended Business Income does not apply to loss of "Rental Value" incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of "Rental Value" must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

**d. Interruption Of Computer Operations**

- (1) Under this Additional Coverage, electronic data has the meaning described under Additional Limitation – Interruption Of Computer Operations.

- (2) Subject to all provisions of this Additional Coverage, you may extend the insurance that applies to Business Income and Extra Expense to apply to a "suspension" of "operations" caused by an interruption in computer operations due to destruction or corruption of electronic data due to a Covered Cause of Loss. However, we will not provide coverage under this Additional Coverage when the Additional Limitation – Interruption Of Computer Operations does not apply based on Paragraph A.4.d. therein.
- (3) With respect to the coverage provided under this Additional Coverage, the Covered Causes of Loss are subject to the following:
- (a) If the Causes Of Loss – Special Form applies, coverage under this Additional Coverage, Interruption Of Computer Operations, is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
  - (b) If the Causes Of Loss – Broad Form applies, coverage under this Additional Coverage, Interruption Of Computer Operations, includes Collapse as set forth in that form.
  - (c) If the Causes Of Loss form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Interruption Of Computer Operations.
  - (d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for an interruption related to manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, maintain, repair or replace that system.
- (4) The most we will pay under this Additional Coverage, Interruption Of Computer Operations, is \$2,500 (unless a higher limit is shown in the Declarations) for all loss sustained and expense incurred in any one policy year, regardless of the number of interruptions or the number of premises, locations or computer systems involved. If loss payment relating to the first interruption does not exhaust this amount, then the balance is available for loss or expense sustained or incurred as a result of subsequent interruptions in that policy year. A balance remaining at the end of a policy year does not increase the amount of insurance in the next policy year. With respect to any interruption which begins in one policy year and continues or results in additional loss or expense in a subsequent policy year(s), all loss and expense is deemed to be sustained or incurred in the policy year in which the interruption began.
- (5) This Additional Coverage, Interruption Of Computer Operations, does not apply to loss sustained or expense incurred after the end of the "period of restoration", even if the amount of insurance stated in (4) above has not been exhausted.
- 6. Coverage Extension**
- If a Coinsurance percentage of 50% or more is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:
- Newly Acquired Locations**
- a. You may extend your Business Income and Extra Expense Coverages to apply to property at any location you acquire other than fairs or exhibitions.
  - b. The most we will pay under this Extension, for the sum of Business Income loss and Extra Expense incurred, is \$100,000 at each location, unless a higher limit is shown in the Declarations.
  - c. Insurance under this Extension for each newly acquired location will end when any of the following first occurs:
    - (1) This policy expires;

(2) 30 days expire after you acquire or begin to construct the property; or

(3) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property.

The Additional Condition, Coinsurance, does not apply to this Extension.

#### **B. Limits Of Insurance**

The most we will pay for loss in any one occurrence is the applicable Limit Of Insurance shown in the Declarations.

Payments under the following coverages will not increase the applicable Limit of Insurance:

1. Alterations And New Buildings;
2. Civil Authority;
3. Extra Expense; or
4. Extended Business Income.

The amounts of insurance stated in the Interruption Of Computer Operations Additional Coverage and the Newly Acquired Locations Coverage Extension apply in accordance with the terms of those coverages and are separate from the Limit(s) Of Insurance shown in the Declarations for any other coverage.

#### **C. Loss Conditions**

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

##### **1. Appraisal**

If we and you disagree on the amount of Net Income and operating expense or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser.

The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the amount of Net Income and operating expense or amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

#### **2. Duties In The Event Of Loss**

a. You must see that the following are done in the event of loss:

- (1) Notify the police if a law may have been broken.
- (2) Give us prompt notice of the direct physical loss or damage. Include a description of the property involved.
- (3) As soon as possible, give us a description of how, when and where the direct physical loss or damage occurred.
- (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
- (5) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

- (6) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
- (7) Cooperate with us in the investigation or settlement of the claim.
- (8) If you intend to continue your business, you must resume all or part of your "operations" as quickly as possible.

b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

**3. Loss Determination**

a. The amount of Business Income loss will be determined based on:

- (1) The Net Income of the business before the direct physical loss or damage occurred;
- (2) The likely Net Income of the business if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses;
- (3) The operating expenses, including payroll expenses, necessary to resume "operations" with the same quality of service that existed just before the direct physical loss or damage; and
- (4) Other relevant sources of information, including:
  - (a) Your financial records and accounting procedures;
  - (b) Bills, invoices and other vouchers; and
  - (c) Deeds, liens or contracts.

b. The amount of Extra Expense will be determined based on:

- (1) All expenses that exceed the normal operating expenses that would have been incurred by "operations" during the "period of restoration" if no direct physical loss or damage had occurred. We will deduct from the total of such expenses:
  - (a) The salvage value that remains of any property bought for temporary use during the "period of restoration", once "operations" are resumed; and
  - (b) Any Extra Expense that is paid for by other insurance, except for insurance that is written subject to the same plan, terms, conditions and provisions as this insurance; and
- (2) Necessary expenses that reduce the Business Income loss that otherwise would have been incurred.

**c. Resumption Of Operations**

We will reduce the amount of your:

- (1) Business Income loss, other than Extra Expense, to the extent you can resume your "operations", in whole or in part, by using damaged or undamaged property (including merchandise or stock) at the described premises or elsewhere.
  - (2) Extra Expense loss to the extent you can return "operations" to normal and discontinue such Extra Expense.
- d. If you do not resume "operations", or do not resume "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume "operations" as quickly as possible.

**4. Loss Payment**

We will pay for covered loss within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part, and:

- a. We have reached agreement with you on the amount of loss; or
- b. An appraisal award has been made.

**D. Additional Condition****COINSURANCE**

If a Coinsurance percentage is shown in the Declarations, the following condition applies in addition to the Common Policy Conditions and the Commercial Property Conditions.

We will not pay the full amount of any Business Income loss if the Limit of Insurance for Business Income is less than:

1. The Coinsurance percentage shown for Business Income in the Declarations; times
2. The sum of:
  - a. The Net Income (Net Profit or Loss before income taxes), and
  - b. Operating expenses, including payroll expenses,

that would have been earned or incurred (had no loss occurred) by your "operations" at the described premises for the 12 months following the inception, or last previous anniversary date, of this policy (whichever is later).

Instead, we will determine the most we will pay using the following steps:

**Step (1):** Multiply the Net Income and operating expense for the 12 months following the inception, or last previous anniversary date, of this policy by the Coinsurance percentage;

**Step (2):** Divide the Limit of Insurance for the described premises by the figure determined in Step (1); and

**Step (3):** Multiply the total amount of loss by the figure determined in Step (2).

We will pay the amount determined in Step (3) or the limit of insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

In determining operating expenses for the purpose of applying the Coinsurance condition, the following expenses, if applicable, shall be deducted from the total of all operating expenses:

- (1) Prepaid freight – outgoing;
- (2) Returns and allowances;
- (3) Discounts;
- (4) Bad debts;
- (5) Collection expenses;
- (6) Cost of raw stock and factory supplies consumed (including transportation charges);
- (7) Cost of merchandise sold (including transportation charges);
- (8) Cost of other supplies consumed (including transportation charges);
- (9) Cost of services purchased from outsiders (not employees) to resell, that do not continue under contract;
- (10) Power, heat and refrigeration expenses that do not continue under contract (if Form CP 15 11 is attached);
- (11) All payroll expenses or the amount of payroll expense excluded (if Form CP 15 10 is attached); and
- (12) Special deductions for mining properties (royalties unless specifically included in coverage; actual depletion commonly known as unit or cost depletion – not percentage depletion; welfare and retirement fund charges based on tonnage; hired trucks).

#### Example 1 (Underinsurance)

**When:** The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this policy at the described premises would have been: \$ 400,000  
 The Coinsurance percentage is: 50%  
 The Limit of Insurance is: \$ 150,000  
 The amount of loss is: \$ 80,000

**Step (1):**  $\$400,000 \times 50\% = \$200,000$   
 (the minimum amount of insurance to meet your Coinsurance requirements)

**Step (2):**  $\$150,000 \div \$200,000 = .75$

**Step (3):**  $\$80,000 \times .75 = \$60,000$

We will pay no more than \$60,000. The remaining \$20,000 is not covered.

#### Example 2 (Adequate Insurance)

**When:** The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this policy at the described premises would have been: \$ 400,000  
 The Coinsurance percentage is: 50%  
 The Limit of Insurance is: \$ 200,000  
 The amount of loss is: \$ 80,000

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 ( $\$400,000 \times 50\%$ ). Therefore, the Limit of Insurance in this example is adequate and no penalty applies. We will pay no more than \$80,000 (amount of loss).

This condition does not apply to Extra Expense Coverage.

#### E. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item.

##### 1. Maximum Period Of Indemnity

- a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.

- b. The most we will pay for the total of Business Income loss and Extra Expense is the lesser of:

- (1) The amount of loss sustained and expenses incurred during the 120 days immediately following the beginning of the "period of restoration"; or
- (2) The Limit Of Insurance shown in the Declarations.

## 2. Monthly Limit Of Indemnity

- a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.
- b. The most we will pay for loss of Business Income in each period of 30 consecutive days after the beginning of the "period of restoration" is:
  - (1) The Limit of Insurance, multiplied by
  - (2) The fraction shown in the Declarations for this Optional Coverage.

### Example

When: The Limit of Insurance is: \$ 120,000  
 The fraction shown in the Declarations for this Optional Coverage is: 1/4  
 The most we will pay for loss in each period of 30 consecutive days is: \$ 30,000  
 (\$120,000 x 1/4 = \$30,000)  
 If, in this example, the actual amount of loss is:

Days 1-30:	\$ 40,000
Days 31-60:	\$ 20,000

## 3. Business Income Agreed Value

- a. To activate this Optional Coverage:
  - (1) A Business Income Report/Work Sheet must be submitted to us and must show financial data for your "operations":
    - (a) During the 12 months prior to the date of the Work Sheet; and

- (b) Estimated for the 12 months immediately following the inception of this Optional Coverage.

- (2) The Declarations must indicate that the Business Income Agreed Value Optional Coverage applies, and an Agreed Value must be shown in the Declarations. The Agreed Value should be at least equal to:

- (a) The Coinsurance percentage shown in the Declarations; multiplied by
- (b) The amount of Net Income and operating expenses for the following 12 months you report on the Work Sheet.

- b. The Additional Condition, Coinsurance, is suspended until:
  - (1) 12 months after the effective date of this Optional Coverage; or
  - (2) The expiration date of this policy; whichever occurs first.
- c. We will reinstate the Additional Condition, Coinsurance, automatically if you do not submit a new Work Sheet and Agreed Value:
  - (1) Within 12 months of the effective date of this Optional Coverage; or
  - (2) When you request a change in your Business Income Limit of Insurance.
- d. If the Business Income Limit of Insurance is less than the Agreed Value, we will not pay more of any loss than the amount of loss multiplied by:
  - (1) The Business Income Limit of Insurance; divided by
  - (2) The Agreed Value.

### Example

When: The Limit of Insurance is: \$ 100,000  
 The Agreed Value is: \$ 200,000  
 The amount of loss is: \$ 80,000

Step (1):  $\$100,000 \div \$200,000 = .50$

Step (2):  $.50 \times \$80,000 = \$40,000$

We will pay \$40,000. The remaining \$40,000 is not covered.

## CAUSES OF LOSS – SPECIAL FORM

Words and phrases that appear in quotation marks have special meaning. Refer to Section G. Definitions.

### A. Covered Causes Of Loss

When Special is shown in the Declarations, Covered Causes of Loss means direct physical loss unless the loss is excluded or limited in this policy.

### B. Exclusions

1. We will not pay for loss or damage caused directly or indirectly by any of the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

#### a. Ordinance Or Law

The enforcement of or compliance with any ordinance or law:

- (1) Regulating the construction, use or repair of any property; or
- (2) Requiring the tearing down of any property, including the cost of removing its debris.

This exclusion, Ordinance Or Law, applies whether the loss results from:

- (a) An ordinance or law that is enforced even if the property has not been damaged; or
- (b) The increased costs incurred to comply with an ordinance or law in the course of construction, repair, renovation, remodeling or demolition of property, or removal of its debris, following a physical loss to that property.

#### b. Earth Movement

- (2) Landslide, including any earth sinking, rising or shifting related to such event;
- (3) Mine subsidence, meaning subsidence of a man-made mine, whether or not mining activity has ceased;

- (4) Earth sinking (other than sinkhole collapse), rising or shifting including soil conditions which cause settling, cracking or other disarrangement of foundations or other parts of realty. Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil and the action of water under the ground surface.

But if Earth Movement, as described in b.(1) through (4) above, results in fire or explosion, we will pay for the loss or damage caused by that fire or explosion.

- (5) Volcanic eruption, explosion or effusion. But if volcanic eruption, explosion or effusion results in fire, building glass breakage or Volcanic Action, we will pay for the loss or damage caused by that fire, building glass breakage or Volcanic Action.

Volcanic Action means direct loss or damage resulting from the eruption of a volcano when the loss or damage is caused by:

- (a) Airborne volcanic blast or airborne shock waves;
- (b) Ash, dust or particulate matter; or
- (c) Lava flow.

With respect to coverage for Volcanic Action as set forth in (5)(a), (5)(b) and (5)(c), all volcanic eruptions that occur within any 168-hour period will constitute a single occurrence.

Volcanic Action does not include the cost to remove ash, dust or particulate matter that does not cause direct physical loss or damage to the described property.

This exclusion applies regardless of whether any of the above, in Paragraphs (1) through (5), is caused by an act of nature or is otherwise caused.

**c. Governmental Action**

Seizure or destruction of property by order of governmental authority.

But we will pay for loss or damage caused by or resulting from acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread, if the fire would be covered under this Coverage Part.

Nuclear reaction or radiation, or radioactive contamination, however caused.

But if nuclear reaction or radiation, or radioactive contamination, results in fire, we will pay for the loss or damage caused by that fire.

**e. Utility Services**

The failure of power, communication, water or other utility service supplied to the described premises, however caused, if the failure:

- (1) Originates away from the described premises; or
- (2) Originates at the described premises, but only if such failure involves equipment used to supply the utility service to the described premises from a source away from the described premises.

Failure of any utility service includes lack of sufficient capacity and reduction in supply.

Loss or damage caused by a surge of power is also excluded, if the surge would not have occurred but for an event causing a failure of power.

But if the failure or surge of power, or the failure of communication, water or other utility service, results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

Communication services include but are not limited to service relating to Internet access or access to any electronic, cellular or satellite network.

**f. War And Military Action**

- (1) War, including undeclared or civil war;

This exclusion applies regardless of whether any of the above, in Paragraphs (1) through (5), is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs (1) through (5), results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage (if sprinkler leakage is a Covered Cause of Loss).

**h. "Fungus", Wet Rot, Dry Rot And Bacteria**

Presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria.

But if "fungus", wet or dry rot or bacteria result in a "specified cause of loss", we will pay for the loss or damage caused by that "specified cause of loss".

This exclusion does not apply:

- (7) The following causes of loss to personal property:

- (a) Dampness or dryness of atmosphere;
- (b) Changes in or extremes of temperature; or
- (c) Marring or scratching.

This exclusion, l., does not apply to damage to glass caused by chemicals applied to the glass.

- m. Neglect of an insured to use all reasonable means to save and preserve property from further damage at and after the time of loss.

3. We will not pay for loss or damage caused by or resulting from any of the following, 3.a. through 3.c. But if an excluded cause of loss that is listed in 3.a. through 3.c. results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

3. The coverage described under E.2. of this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) and Flood which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$15,000 even if the "fungus", wet or dry rot or bacteria continue to be present or active, or recur, in a later policy period.

4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria cause an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

5. The terms of this Limited Coverage do not increase or reduce the coverage provided under Paragraph F.2. (Water Damage, Other Liquids, Powder Or Molten Material Damage) of this Causes Of Loss form or under the Additional Coverage, Collapse.

6. The following, 6.a. or 6.b., applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the "suspension" of "operations" satisfies all terms and conditions of the applicable Business Income and/or Extra Expense Coverage Form:

- a. If the loss which resulted in "fungus", wet or dry rot or bacteria does not in itself necessitate a "suspension" of "operations", but such "suspension" is necessary due to loss or damage to property caused by "fungus", wet or dry rot or bacteria, then our payment under Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.
- b. If a covered "suspension" of "operations" was caused by loss or damage other than "fungus", wet or dry rot or bacteria but remediation of "fungus", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

## F. Additional Coverage Extensions

### 1. Property In Transit

This Extension applies only to your personal property to which this form applies.

- a. You may extend the insurance provided by this Coverage Part to apply to your personal property (other than property in the care, custody or control of your salespersons) in transit more than 100 feet from the described premises. Property must be in or on a motor vehicle you own, lease or operate while between points in the coverage territory.

- b. Loss or damage must be caused by or result from one of the following causes of loss:

- (1) Fire, lightning, explosion, windstorm or hail, riot or civil commotion, or vandalism.
- (2) Vehicle collision, upset or overturn. Collision means accidental contact of your vehicle with another vehicle or object. It does not mean your vehicle's contact with the roadbed.
- (3) Theft of an entire bale, case or package by forced entry into a securely locked body or compartment of the vehicle. There must be visible marks of the forced entry.

- c. The most we will pay for loss or damage under this Extension is \$5,000.

This Coverage Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

### 2. Water Damage, Other Liquids, Powder Or Molten Material Damage

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material damage loss occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes. This Coverage Extension does not increase the Limit of Insurance.

### 3. Glass

- a. We will pay for expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.

- b. We will pay for expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.

This Coverage Extension F.3. does not increase the Limit of Insurance.

#### G. Definitions

1. "Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.
2. "Specified causes of loss" means the following: fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire-extinguishing equipment; sinkhole collapse; volcanic action; falling objects; weight of snow, ice or sleet; water damage.
  - a. Sinkhole collapse means the sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This cause of loss does not include:
    - (1) The cost of filling sinkholes; or
    - (2) Sinking or collapse of land into man-made underground cavities.
  - b. Falling objects does not include loss or damage to:
    - (1) Personal property in the open; or
    - (2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object.

#### c. Water damage means:

- (1) Accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of a plumbing, heating, air conditioning or other system or appliance (other than a sump system including its related equipment and parts), that is located on the described premises and contains water or steam; and
- (2) Accidental discharge or leakage of water or waterborne material as the direct result of the breaking apart or cracking of a water or sewer pipe that is located off the described premises and is part of a municipal potable water supply system or municipal sanitary sewer system, if the breakage or cracking is caused by wear and tear.

But water damage does not include loss or damage otherwise excluded under the terms of the Water Exclusion. Therefore, for example, there is no coverage under this policy in the situation in which discharge or leakage of water results from the breaking apart or cracking of a pipe which was caused by or related to weather-induced flooding, even if wear and tear contributed to the breakage or cracking. As another example, and also in accordance with the terms of the Water Exclusion, there is no coverage for loss or damage caused by or related to weather-induced flooding which follows or is exacerbated by pipe breakage or cracking attributable to wear and tear.

To the extent that accidental discharge or leakage of water falls within the criteria set forth in c.(1) or c.(2) of this definition of "specified causes of loss," such water is not subject to the provisions of the Water Exclusion which preclude coverage for surface water or water under the surface of the ground.

**Please read this Notice carefully.**

FAIRCO and its subsidiary companies are committed to complying with the U.S. Department of the Treasury's Office of Foreign Assets Control (OFAC) requirements. The Department of Treasury's OFAC administers and enforces sanctions policy based on Presidential declarations of "national emergency." OFAC has identified and listed numerous entities, individuals and organizations, including, but not limited to:

- Foreign agents;
- Front organizations;
- Terrorists;
- Terrorist organizations; and
- Narcotics traffickers;

as "Specially Designated Nationals" (SDN's) and "Blocked Persons." OFAC has also identified Sanctioned Countries. This list of SDNs, Blocked Persons and Sanctioned Countries and additional regulatory and enforcement information can be located on the United States Department of the Treasury's web site at: <http://www.treas.gov/offices/enforcement/ofac/>.

Economic sanctions prohibit all United States citizens (including corporations and other entities) and permanent resident aliens from engaging in transactions with Specially Designated Nationals, Blocked Persons and Sanctioned Countries. FAIRCO may not accept premium from or issue a policy to insure property of or make a claim payment to a Specially Designated National or Blocked Person. FAIRCO may not engage in business transactions with a Sanctioned Country.

A "Specially Designated National" or "Blocked Person" is any person who is determined as such by the Secretary of the Treasury.

A Sanctioned Country is any country that is the subject of trade or economic embargoes imposed by the laws or regulations of the United States.

In accordance with laws and regulations of the United States, if it is determined that you or any other insured, or any person or entity claiming the benefits of this insurance has violated U.S. sanctions law or is a Specially Designated National and Blocked Person as identified by OFAC, this insurance will be considered a blocked or frozen contract with all provisions of this insurance immediately subject to OFAC and U.S. Government restrictions. Whenever an insurance policy is considered to be such a blocked or frozen contract, no payments or premium refunds may be made without authorization from OFAC. Other limitations on premiums and payments also apply.
